Happy 25th Fountain Valley

In June 1982, Fountain Valley celebrates its 25th anniversary as an incorporated city. The Fountain Valley we all know and love is a prosperous residential community and the home of the FVHS Barons. In order to show how far Fountain Valley has come in 25 years, one must first take a brief look at this city's history.

Fountain Valley has become a city with over 70,000 people living on its 9.4 square miles. The city's median income of \$32,500 puts it in the top fifth of the nation. Housing is fairly expensive with most homes selling in the \$100,000 to \$160,000 range. The most striking feature of the city is Mile Square Park, located on a former Marine Base. Each year the park hosts the Gordon Bennett Balloon Race which attracts thousands of visitors to the city.

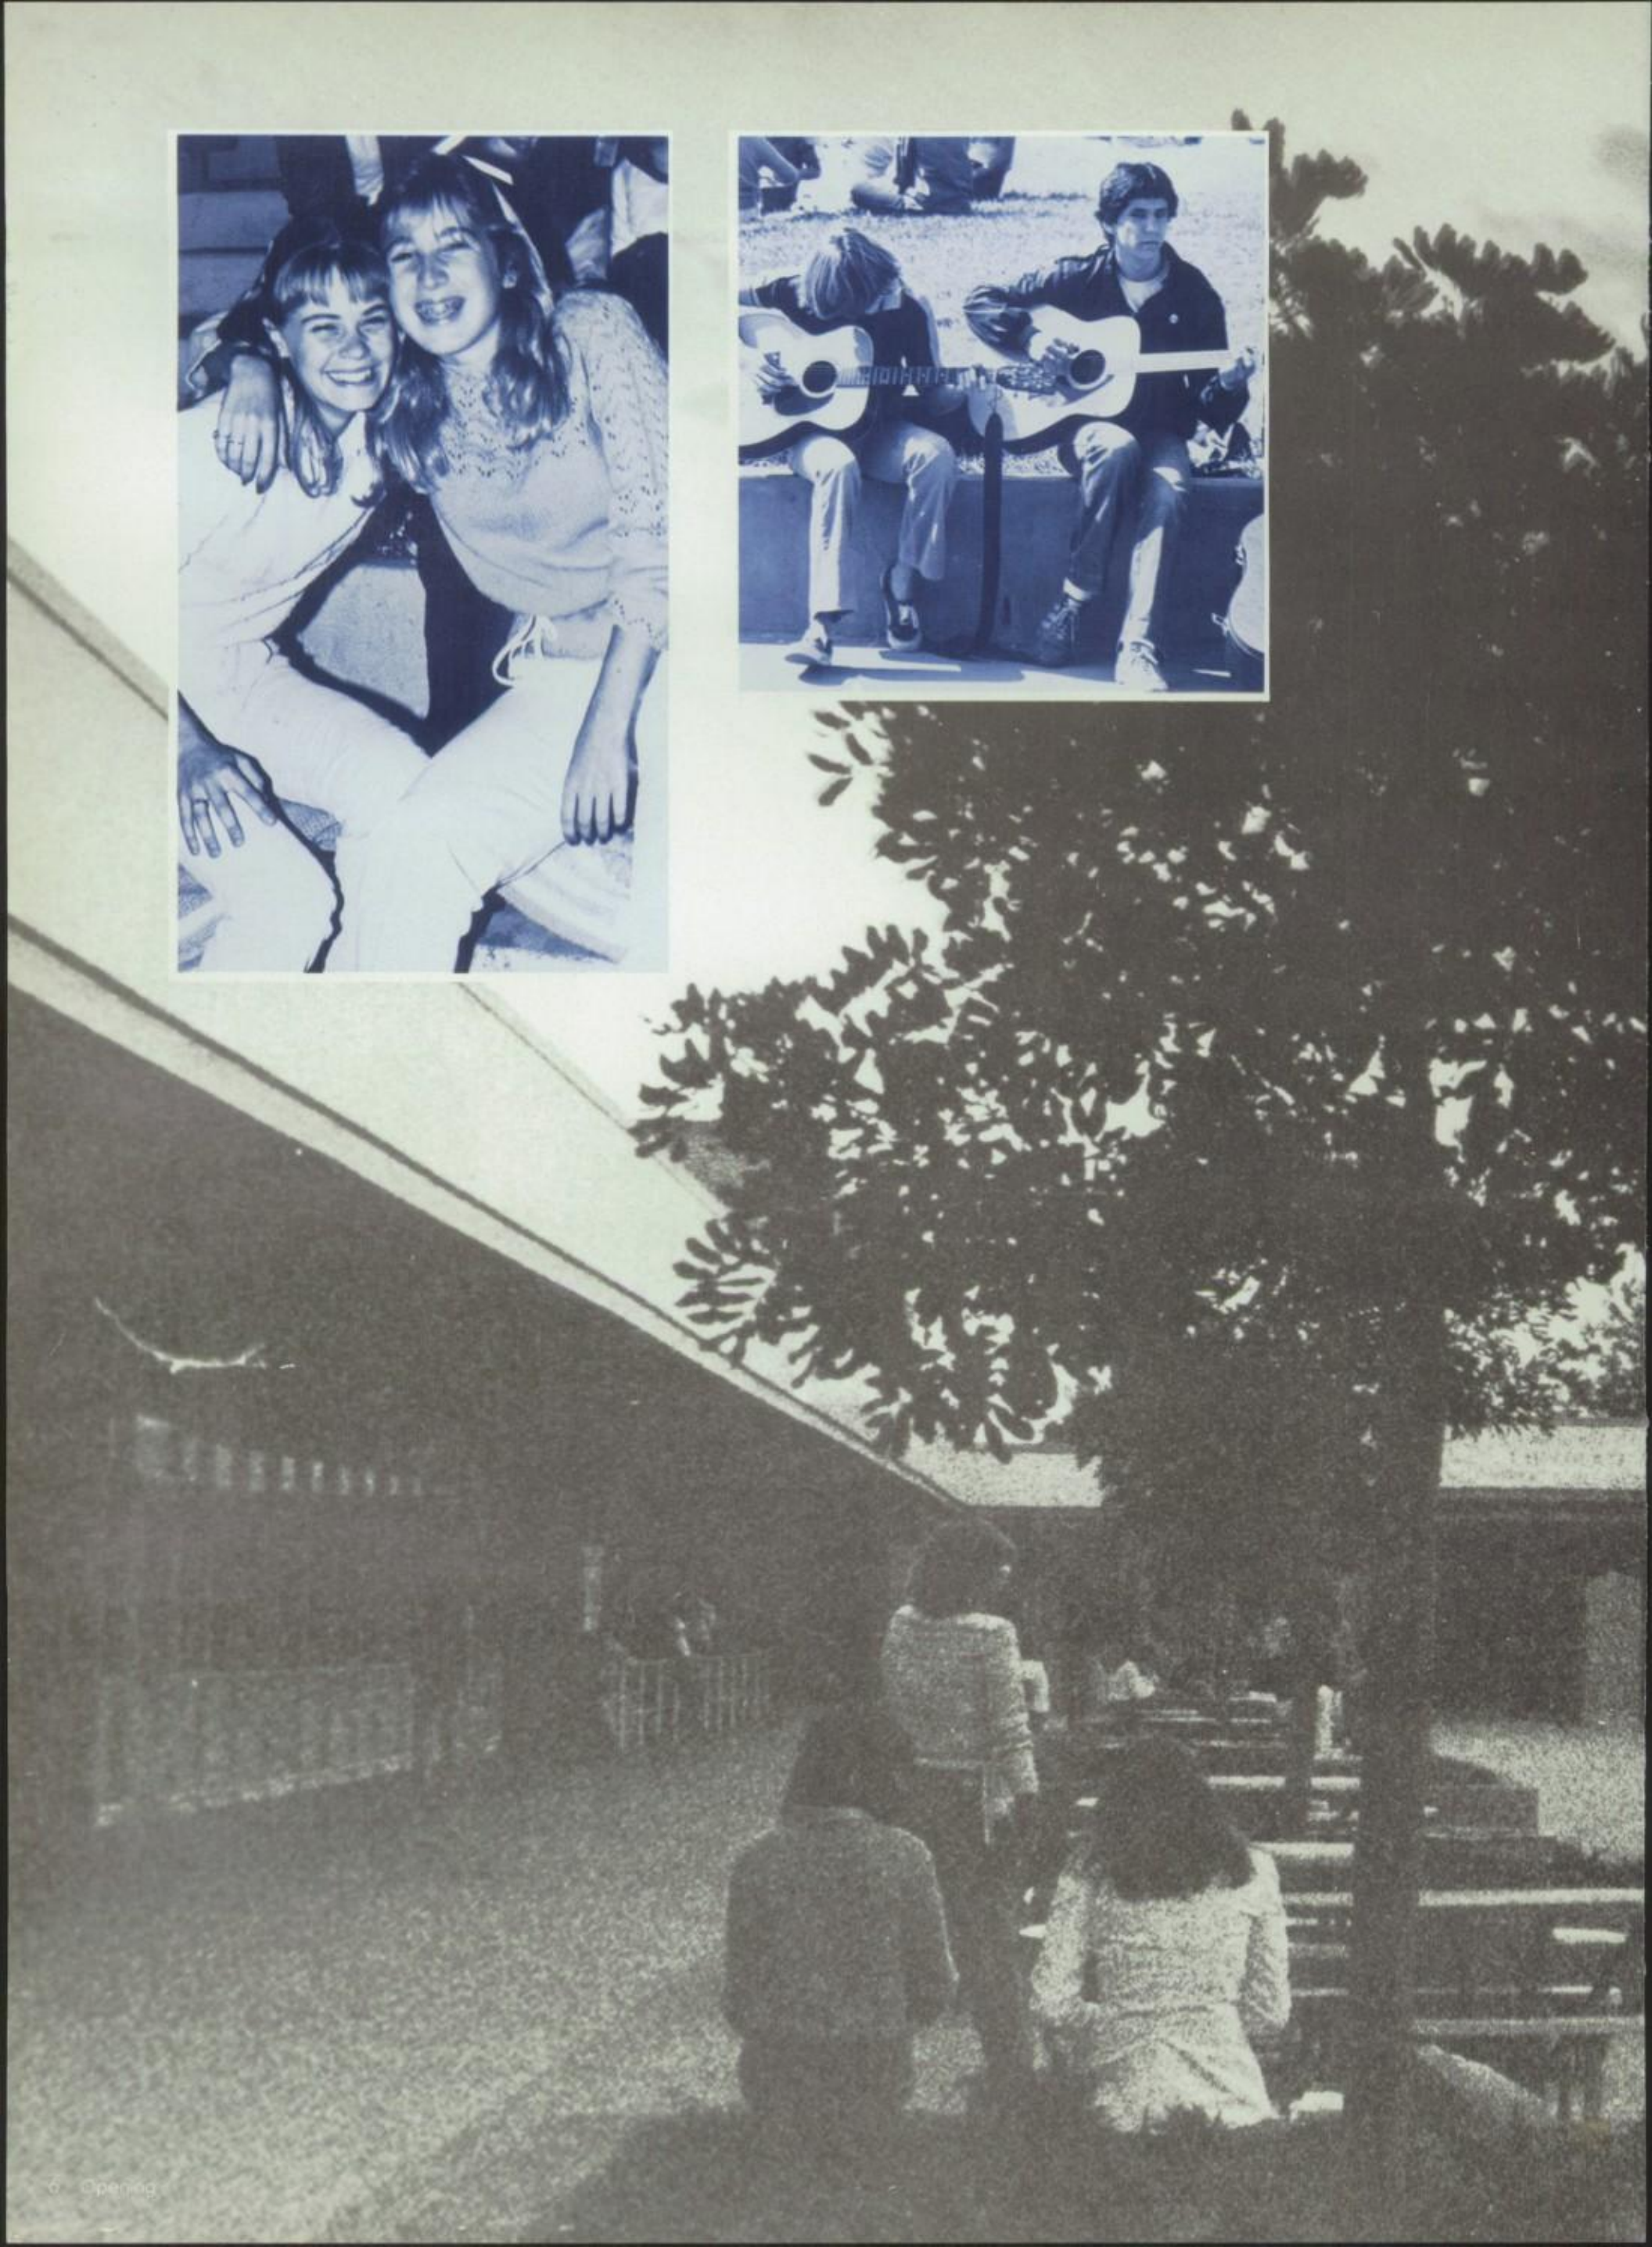

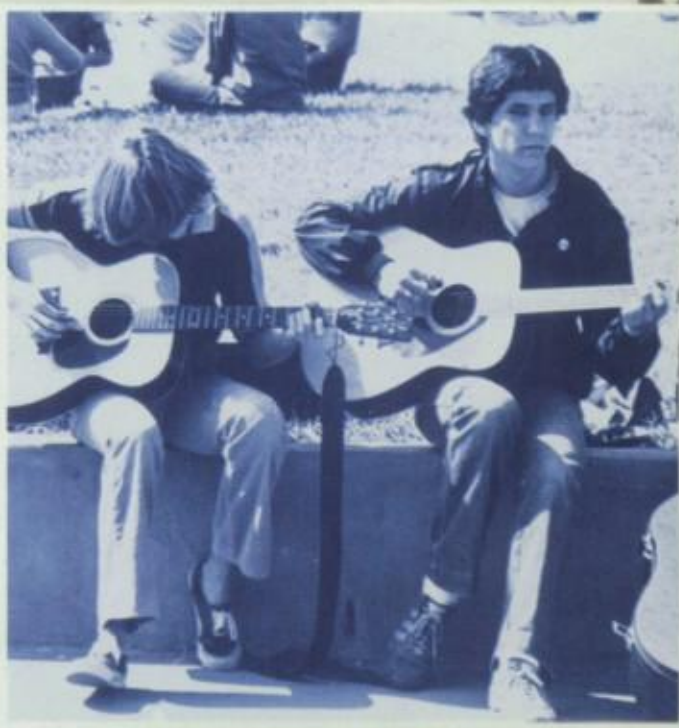

Because the name was a duplication of the name of a town in northern California, it was renamed *Talbert* in honor of its first postmaster Thomas Talbert. Fountain Valley was reestablished as the city's name in 1957 at the time of its incorporation. Fountain Valley remained primarily agricultural until the mid 1930s when some land owners sold large portions of land to residential developers.

In the summer of 1896, Bruce Wardlow moved here from Long Beach and cleared the bottom lands for field crop farming. By 1898, land was selling for \$5 an acre. Pioneer families included the Bushards, Talberts, Borchards, Masudas, and the Okas. A general store, blacksmith shop, and school appeared around the turn of the century. A post office was established in 1899, and the town was named Fountain Valley for the many artesian wells in the area.

Fountain Valley High School was opened in 1966 and grew during the seventies to have the largest student body west of the Mississippi. Today this school continues to be recognized as a school with an outstanding academic program and superior athletic department.

Happy Birthday Fountain Valley!

Fuck -
 It was really
 great being
 with you class
 together, you're really
 nice guy, if it weren't
 for you guys I would
 have never gotten those
 worksheets - done them
 Have a nice summer
 Love,
 Theresa

Starting Out

"Welcome Class of 1985,"
 proclaimed posters at this year's
 Freshman Orientation. "1985" —
 it sounds so far off to the seniors
 whose magic date is June 17th
 1982.

For Freshmen, this year marked
 the beginning of their high school
 career. For Juniors and
 Sophomores it was another year
 closer to being a senior.

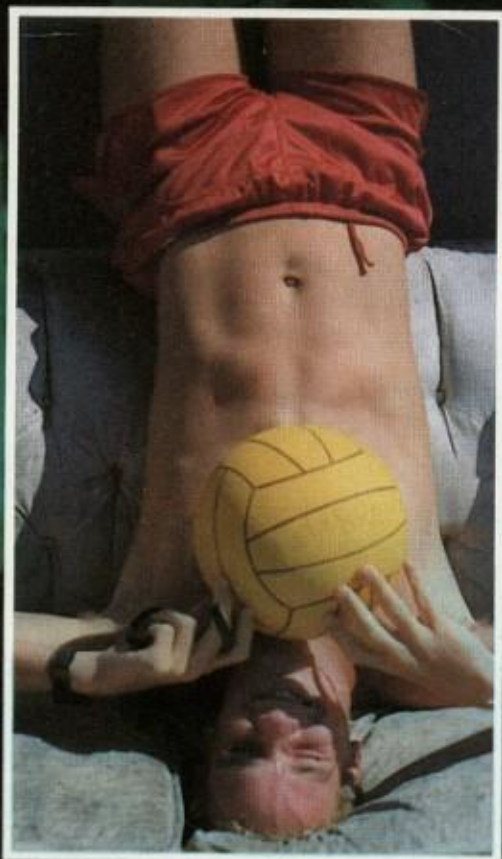

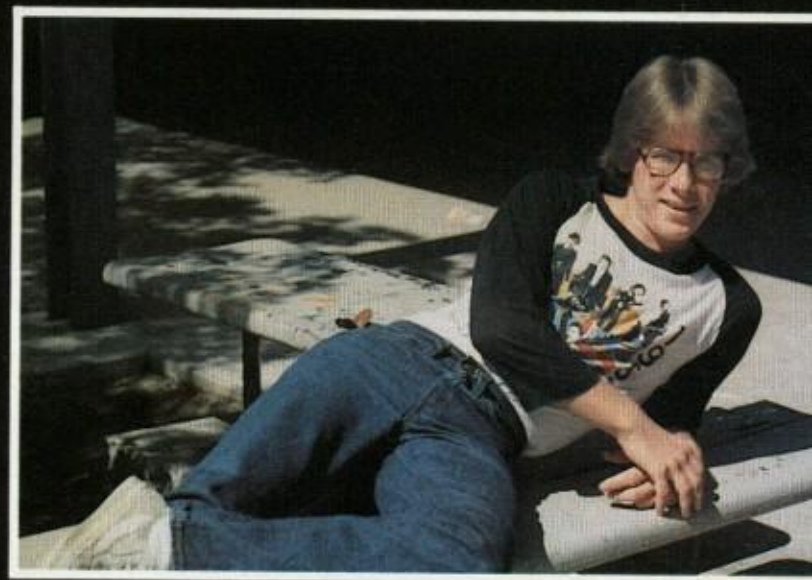

Seniors were a part of two
 worlds. On one hand, they were
 tied by loyalty and pride to
 Fountain Valley High, on the other
 hand it was time for them to be
 moving on and making
 arrangements for survival in the
 outside world.

All our favorite teachers were
 here to help push us toward our
 goals, making all aspects of
 campus life easier.

For everyone this was a year of
 growing up. And what is growing
 up, really, if not a gathering of
 strength and knowledge
 necessary to break away?

Highlight Spirit Week

Spirit Week precedes the highlight of every year — Homecoming. The theme of Spirit Week and Homecoming this year was, "The Best of Times." Each day of the week students dressed in the clothes representing the best of eras gone by. The dress-up days were '20s (preppy) day, '50s day, '60s (Beatles) day, '70s (surfer) day, and color day. Appropriate music was played over the P.A. system during passing periods each day to help get students into the spirit of things.

Special lunch-time activities included an introduction of the Homecoming Court finalists, a hula-hoop contest, and everyone's favorite — the dunk tank. The dunk tank provided students with the opportunity to drench their friends as well as teachers and administrators.

Spirit Week was a fun change of pace from the everyday routine of school, and it helped build up excitement and spirit for the climatic football game.

Clubs Week Attracted

Each September, various clubs and organizations set up booths in front of the cafeteria to recruit new members. Clubs' Week was held September 21-25 under the direction of Executive Council member, Gary Field. Extra curricular activities help students meet others who have the same interests. Participating in club activities can also help students learn through involvement and leadership.

"The Best of Times"

(3)

It was truly the "Best of Times" on October 30th at Westminster High School Stadium as the Barons clipped the Oceanview Seahawks 47-0. At halftime, as the crowd looked on, the traditional homecoming ceremony took place.

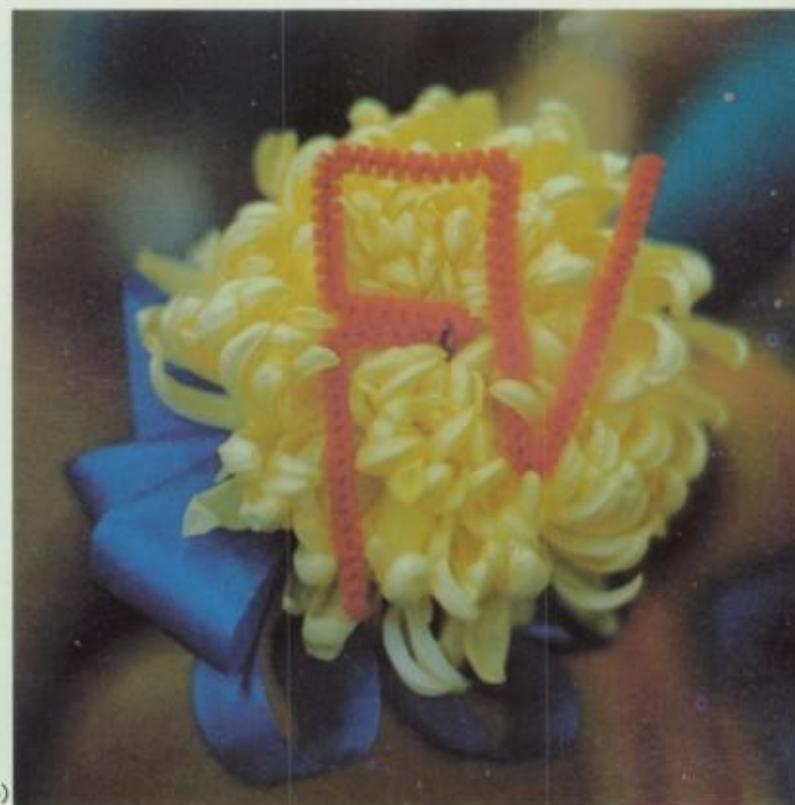

This year's especially elegant ceremony was carefully orchestrated by Melanie Mobley. The festivities began when last year's queen and representative king arrived in a carriage leading a procession which included the ten nominees riding in fine cars. As the mothers of the princes and the fathers of the princesses escorted the nominees onto the stage, the band formed a castle on the field. Then the traditional crowning took place. The crowd emitted a cheer as Dana Waterman and Matt Stevens were announced queen and king.

They led the other court members in the royal dance the next night at the Homecoming dance. The dance, attended by over 100 couples, took place on the beautiful outdoor center court at Los Caballeros. The dance arrangements were headed by Tiffany Holliday while the elections were conducted by Shirlene Jay.

Blue Pride Is Demonstrated at Pep Rallies

(1)

The pep rallies sponsored by varsity pepsters under the guidance of pep officers, Diane Johnson and Terri Lund, have been a tremendous success. The pep rallies were held during lunch every Friday in the bowl. The rallies promoted spirit among students. Even the football players got involved by performing both prepared and spontaneous cheers. The success of the pep rallies was demonstrated by the record number of students in attendance.

1981 Homecoming Court

The traditional homecoming ceremony took place on October 30th during halftime at the homecoming game against Oceanview. Thousands of spectators anxiously awaited the proclamation of the new king and queen, and the crowd roared in appreciation when Matt Stevens' and Dana Waterman's names were announced.

Dana and Matt led the traditional royal dance the next evening at Los Cabelleros along with court members Joel Anderson and Diane Johnson; Travis Rozas and Kelly Duncan; Marissa Van Ligten and Chris Schmitt; and Greg Victorino and Mary Wohrman.

Vocal Music Presents . . .

On Broadway

The vocal music program's second concert of the year — *On Broadway* — brought down the house each of the three nights it was performed. The music for the first half was done mainly by the Concert Choir and Les Chauteurs. Featured were pieces from *Oliver*, *Fiddler on the Roof* and *Carousel*, with a special John Lennon Medley.

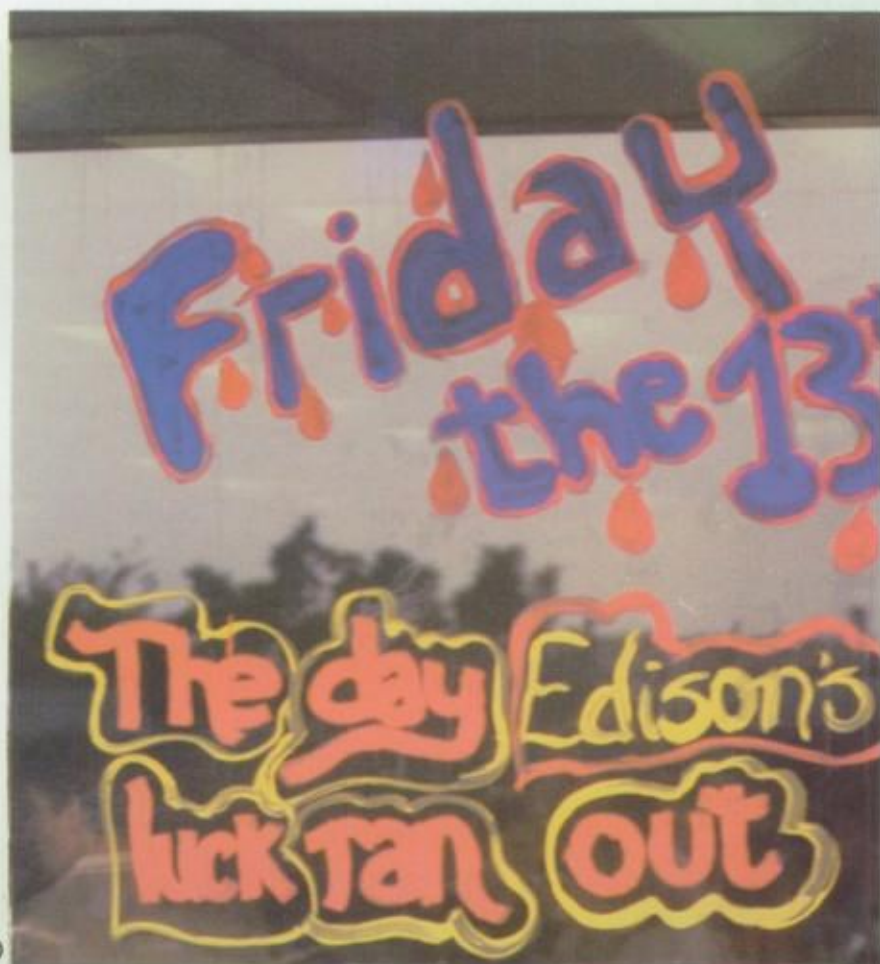

The second half not only included fantastic singing, but also outrageous choreography! The Troubadours dominated this half with a number of songs from *On Broadway*. They then donned their calico dresses for a medley from *Oklahoma*. Stacy Alexander's solo in the finale, *Higher and Higher*, was a smash hit.

After a standing ovation and three curtain calls, you can bet the audience was left wanting more! The money earned from this event will go toward music and sound equipment for the school.

Edison Week . . .

The Rivalry Continues

The F.V.-Edison Breakfast

A Seven Year Tradition

The Fountain Valley High School student government members hosted the annual Fountain Valley/Edison breakfast in the faculty dining room on November 10th at 7:00 a.m. A string quartet from the Fountain Valley orchestra serenaded diners as they ate french toast, juice, sausage, and milk served by the Keywanettes.

As the traditional speech making and gift exchanging began, Joel Anderson, Fountain Valley's A.S.B. president, presented to the Charger student body a crystal glass imprinted "Fountain Valley #1." The Edison A.S.B. president accidentally

dropped this gift. Mr. Mickaellan presented Edison with a "Blue Pride" shirt, while Mr. Hagen provided Mr. Workman with a costume fitting for the "Greatest Edison Hero." It was guaranteed to endow the wearer with super-human powers, but, fortunately for the Barons, defenseless against "Home Grown Blue Pride." The Charger A.S.B. president evidently misunderstood the subtle applications of the term "Home Grown Blue Pride" and presented the Fountain Valley student body with a bag of vegetables.

Blue Pride Is . . .

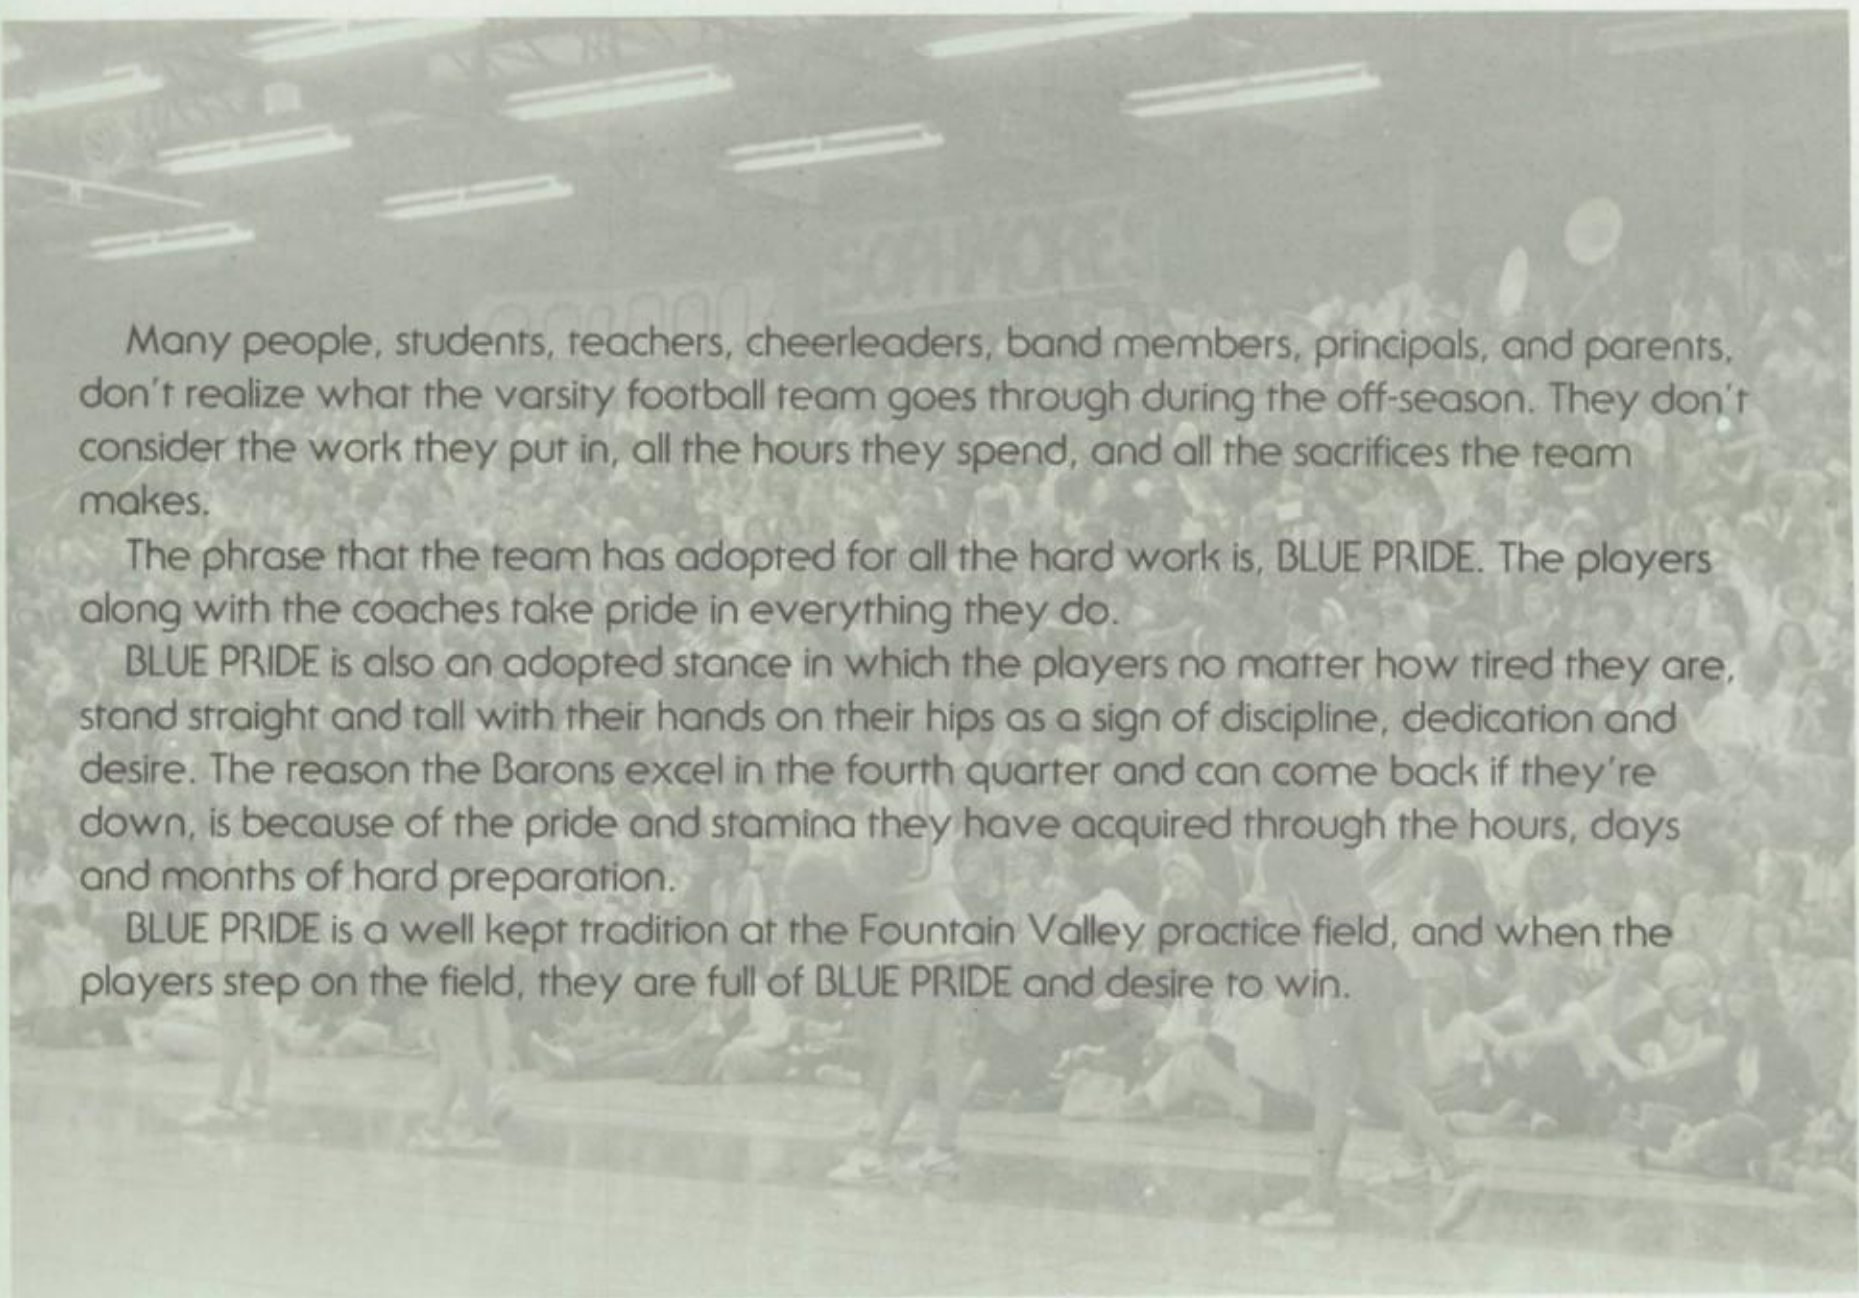

(1)

(2)

(3)

Many people, students, teachers, cheerleaders, band members, principals, and parents, don't realize what the varsity football team goes through during the off-season. They don't consider the work they put in, all the hours they spend, and all the sacrifices the team makes.

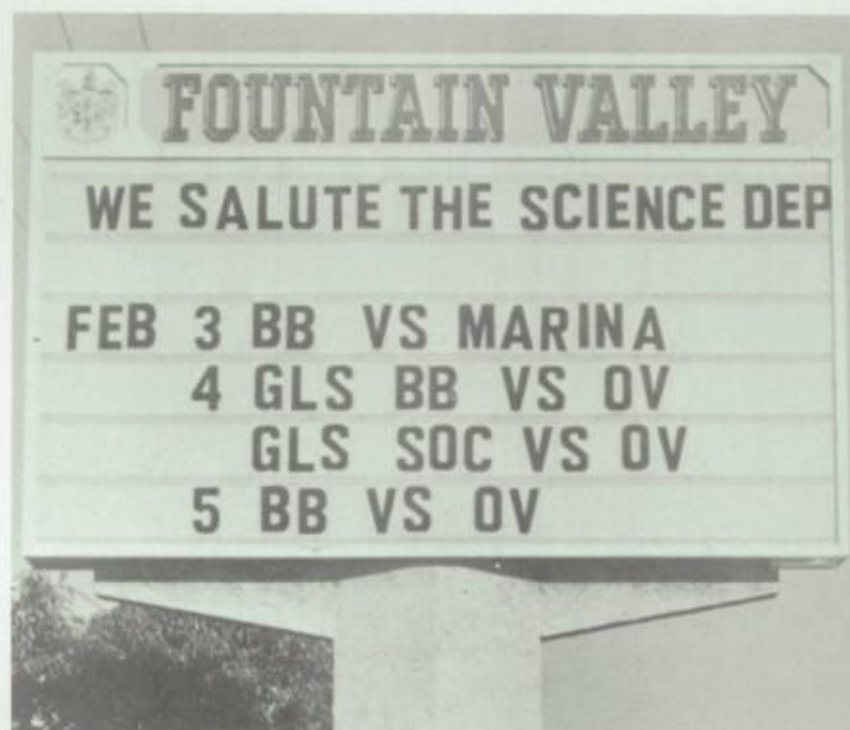

The phrase that the team has adopted for all the hard work is, BLUE PRIDE. The players along with the coaches take pride in everything they do.

BLUE PRIDE is also an adopted stance in which the players no matter how tired they are, stand straight and tall with their hands on their hips as a sign of discipline, dedication and desire. The reason the Barons excel in the fourth quarter and can come back if they're down, is because of the pride and stamina they have acquired through the hours, days and months of hard preparation.

BLUE PRIDE is a well kept tradition at the Fountain Valley practice field, and when the players step on the field, they are full of BLUE PRIDE and desire to win.

Teacher Appreciation Week Improves Teacher Morale

(1)

The Executive Council, hoping to improve relations with faculty and staff,

this year initiated a Teacher Appreciation Week program. Each

week a different department was saluted, recognized, and given donuts and coffee, flowers and cookies. The

response from the teachers was gratifying, many realizing for the first time that Student Government existed.

Executive Council Vice-Chairperson Marissa Van Ligtren commented, "The

relationship between Student Government and the faculty and staff has been improved a great deal.

Hopefully the 'Teacher Appreciation Week' program will be continued in the future."

West Side Story a Big Success

This year's turnout for the musical, "West Side Story" was even better than expected. It was most likely due to the fact that the drama students worked extremely hard for its production. They spent many hours preparing for this and it all showed at opening night of the musical. Every actor gave one hundred percent, thus making the story unbelievably exciting. If you had a chance to drop by the drama department and get a small peek at one of the rehearsals, you'd probably question why they even needed to rehearse! Yes, it was that good. If the drama students can put out this kind of energy every year, they may be headed to success sooner than they think.

The main actors were:

M. Maifield "Tony"
 J. Peck "Maria"
 S. Martin "Riff"
 M. Mobley "Anybodys"
 C. Buckey "Bernardo"
 L. Hayashi "Anita"
 Mr. G. Whearon "Shrank"
 Mr. S. Mittleman "Doc"

All the other actors included:

M. Aspland, V. Hans, M. Blanchard, W. Staley, J. Mead, D. Stokes, J. Frick, S. Miller, S. Christensen, M. Balmer, C. Wilson, J. Lepley, C. Reed, S. Morgan, C. Roderick, C. MacGillfrey, D. Niesley, L. Camp Osceola . . .

November 20th through 23rd was a very special time for the Special Education kids and some of the Keywannettes. It was a respite from homework, pressures and responsibilities and was a chance to relax and take in some of the clean, fresh mountain air.

Camp Osceola was the destination of the 35 or so travelers as they set out by school bus. The camp cooked the food and provided cabins with bunk beds. The students did have K.P., but that was a small price to pay for the fun that they had. There were hikes and sports during the day and campfires and singing in the evenings. Sunday was Paul Bunyan day and the campers chopped wood, boiled water and participated in logging. The trip was funded by three different sources. Some came out of the school budget. A good portion was raised through candy sales and a car wash sponsored by the Keywannettes. The remainder was paid by the students who attended.

Friendships developed and grew and this opportunity was a very positive experience. The camp has been held for the past two years and because of the excellence of the program, it is hoped to be continued in the years to come.

Rain and Snow-cones for 2nd Winter Week

Winter Week was held this year in early February. On Monday the band, Crystal Image played in the bowl during lunch. Snow Cones were sold on Monday and Tuesday.

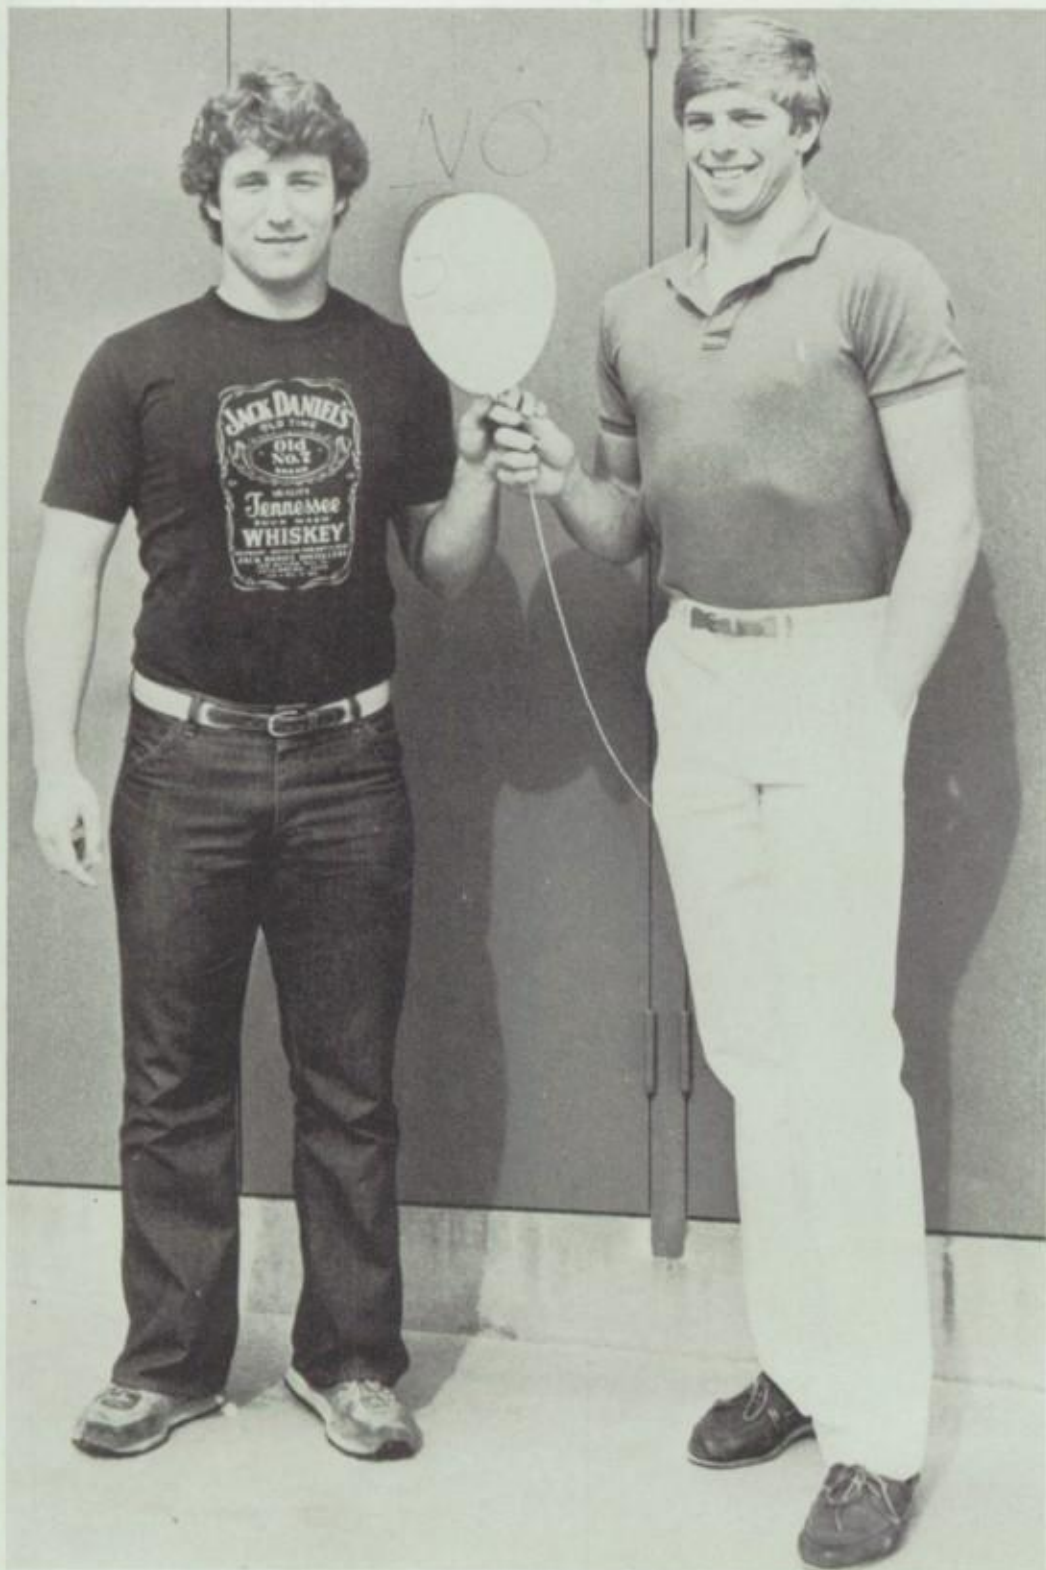

There were signs everywhere reminding students to purchase carnations, suckers and to vote for Winter Formal Court. Balloons were handed out to promote Winter Week festivities. The cold weather added the needed touch to make it seem much more like winter. The week was enjoyed and gave special enthusiasm to the staff and students as we geared up for the five day weekend just ahead.

The 2nd annual Winter Formal was held this year at the South Coast Plaza Hotel. The setting was beautifully decorated with red and pink carnations and lovely floral arrangements. This was the perfect atmosphere as Shawn LaMarche and Bob Erickson were crowned as the 1982 Winter Formal King and Queen. Their court included: Juniors Susan LeValley and Gary Field, Sophomores Kendra Giradot and Joe Emery and Freshman Melissa Field and Rick Snowdon. The band "Keepers" entertained the couples as they danced the night away. The theme of this years dance was "Ice Castles," was sponsored by Student Government and was an evening to be remembered.

Student's Talents

(5)

The fall play Tartuffe, was a comedy in five acts written in 1669 by French writer Jean Baptiste Moliere. The entire play takes place inside the house of Orgon, a rich Parisian. He is middle-aged and is suffering from mental and physical decline. Orgon attempts to compensate for this by becoming a religious fanatic. Tartuffe is a con man who seizes the opportunity and poses as a holy man to gain Orgon's confidence and, ultimately his wealth and property.

In this very successful play Daryl Ver Streeg was Orgon and Scott Clarke portrayed Tartuffe. Scott Lipke played Cleante, Orgon's brother-in-law, Melanie Ishiki was Dorine, the maid, Sean Hubbard portrayed Valere, and Marianne was played by Pamela Greco, and Dawn Anderson was Elmire. Other cast members included Gerardo Moreno (the king's messenger) Steve Miller (as Damis), Cheryl Roderick and Mark Blanchard.

- (2) Orgon listens from under the table to Tartuffe.
- (3) Tartuffe makes advances toward Elmire.
- (4) Tartuffe attempts to win Elmire with flattery.
- (5) Dorine speaks to Orgon about Tartuffe.
- (6) The king's messenger makes a proclamation.
- (7) Orgon's mother pleads with the entire household on behalf of her son.
- (8) Marianne, daughter of Orgon, and Valere engage in a lover's quarrel.

the Year

Students of the Month Honored

Each month two of the most active members of the senior class are chosen "Student of the Month." From this group of twenty-four, the Honors Commission then selects two of these students as "Students of the Year." All of these senior students have been very active in both school and community activities since their freshman year. All of these seniors bring true meaning to the school motto "Toujours Avert Fierce."

This year's students of the year are Joel Anderson and Dana Ashley. Both of these seniors have been very active on our campus during their four year stay at Fountain Valley High School.

Rings Arrive for Class of '83

"Would you please turn my class
ring?"

One of the most exciting events of
your junior year is receiving your class
ring. The class of 83 received their class
rings at a breakfast served by the
sophomore class on Wednesday,
October 14th.

In keeping with tradition, each
student had his or her ring turned by 83
friends.

The time has come
to say goodbye,
To friends we know
and friends we've met.
The world is ours
to take a chance,
And do the things
we haven't yet.

We'll learn that life
is not our fairy-tale dream,
And wishes
don't always come true.
We'll take our Mom and Dad's
advice to
Find the "real you!"

And though we part
with the ones we love,
And have
grown accustomed to.
In a short time
our lives will change,
And we'll see through
an adult's view.

But as time goes on,
we'll never forget
The times we
shared together.
We'll see each other in years to
come,
And say "Do you remember . . ."

Senior Class Favorites

Best All-Around

Best Personality

Although each member of the class of 1982 contributed some unique quality towards the success of this class, there were a few seniors honored by their peers for exemplifying those good qualities that made this class special.

For instance we have Joel Anderson and Marissa VanLigten without whom none of this year's strident student government advancements would have been made. Each of them has, in addition to being Executive Council Chair, and Vice-Chair (Consecutively) participated in various clubs and maintained academic schedules. Joel played Varsity football, was in Key Club and on Senior Commission. Marissa was president of C.S.F., and was active in Keywanettes as well.

Dana Waterman and Matt Stevens who represented our school as Homecoming Queen and King were, to no ones surprise, elected most popular as well.

Seniors couldn't seem to decide whether Shawn LaMarche or Amber Kelley represented the class's best female personality so they were both chosen. Chris Schmitt was the clear winner amongst the guys so the three of them pose here together.

Most Popular

It seems that the easiest category to pick was Friendliest because Kathy Estes of the Varsity squad, and Tory Conroy of the Varsity team were elected almost unanimously. The Best Looking was quite a competition but, as the photographers remarked the outcome was clearly a good choice. Kelly Duncan and Mark Chrisco both display winning smiles and terrific features.

Perhaps the hardest title to award is the "Most Likely to Succeed." It will be interesting to look back in 1992 and see if Bob Togie and Dana Ashley have fulfilled this prophecy.

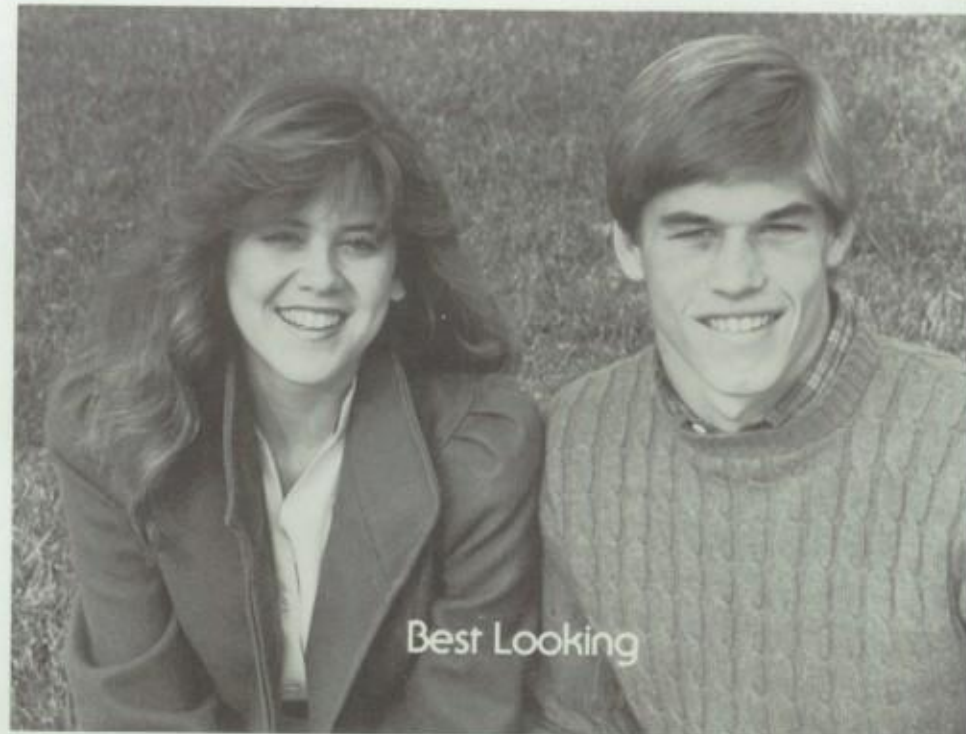

Rod Emery doesn't really play basketball, but his efforts on the football field have been compared with the likes of Emile Harry. Similarly, Lisa Ginsburg isn't much of a football player but she sure gets attention on the basketball court, and points too!

If Terri Sjodin's success lies in her flirtacious personality. She certainly has done well with it, Terri is the 1982 class president. It is hoped that Rob Napoli is as successful in his flirting endeavors.

No one will ever forget Kevin Quinlan and his "Spirited," successful campaign for council. Kevin funnels his spirit into Varsity Football, Executive Council, and the good 'ole' USA. Judges at the Fountain Valley Junior Miss Pageant must have liked Diane Johnson's spirit as she now holds that title. We'll always remember her "Mister Rodgers" cheer.

Jenny Reynolds and Bob Scott have been chosen as Best Dressed for their shameless flaunting of all the latest fashions from "Preppie" to "Romantic."

Sources reveal that when Sharon Hatfield isn't out running she is out of breath from telling soooo many funny stories. Larry Grihalva is a man who needs no introduction; he's already well known for his pranks.

Pulling Ahead

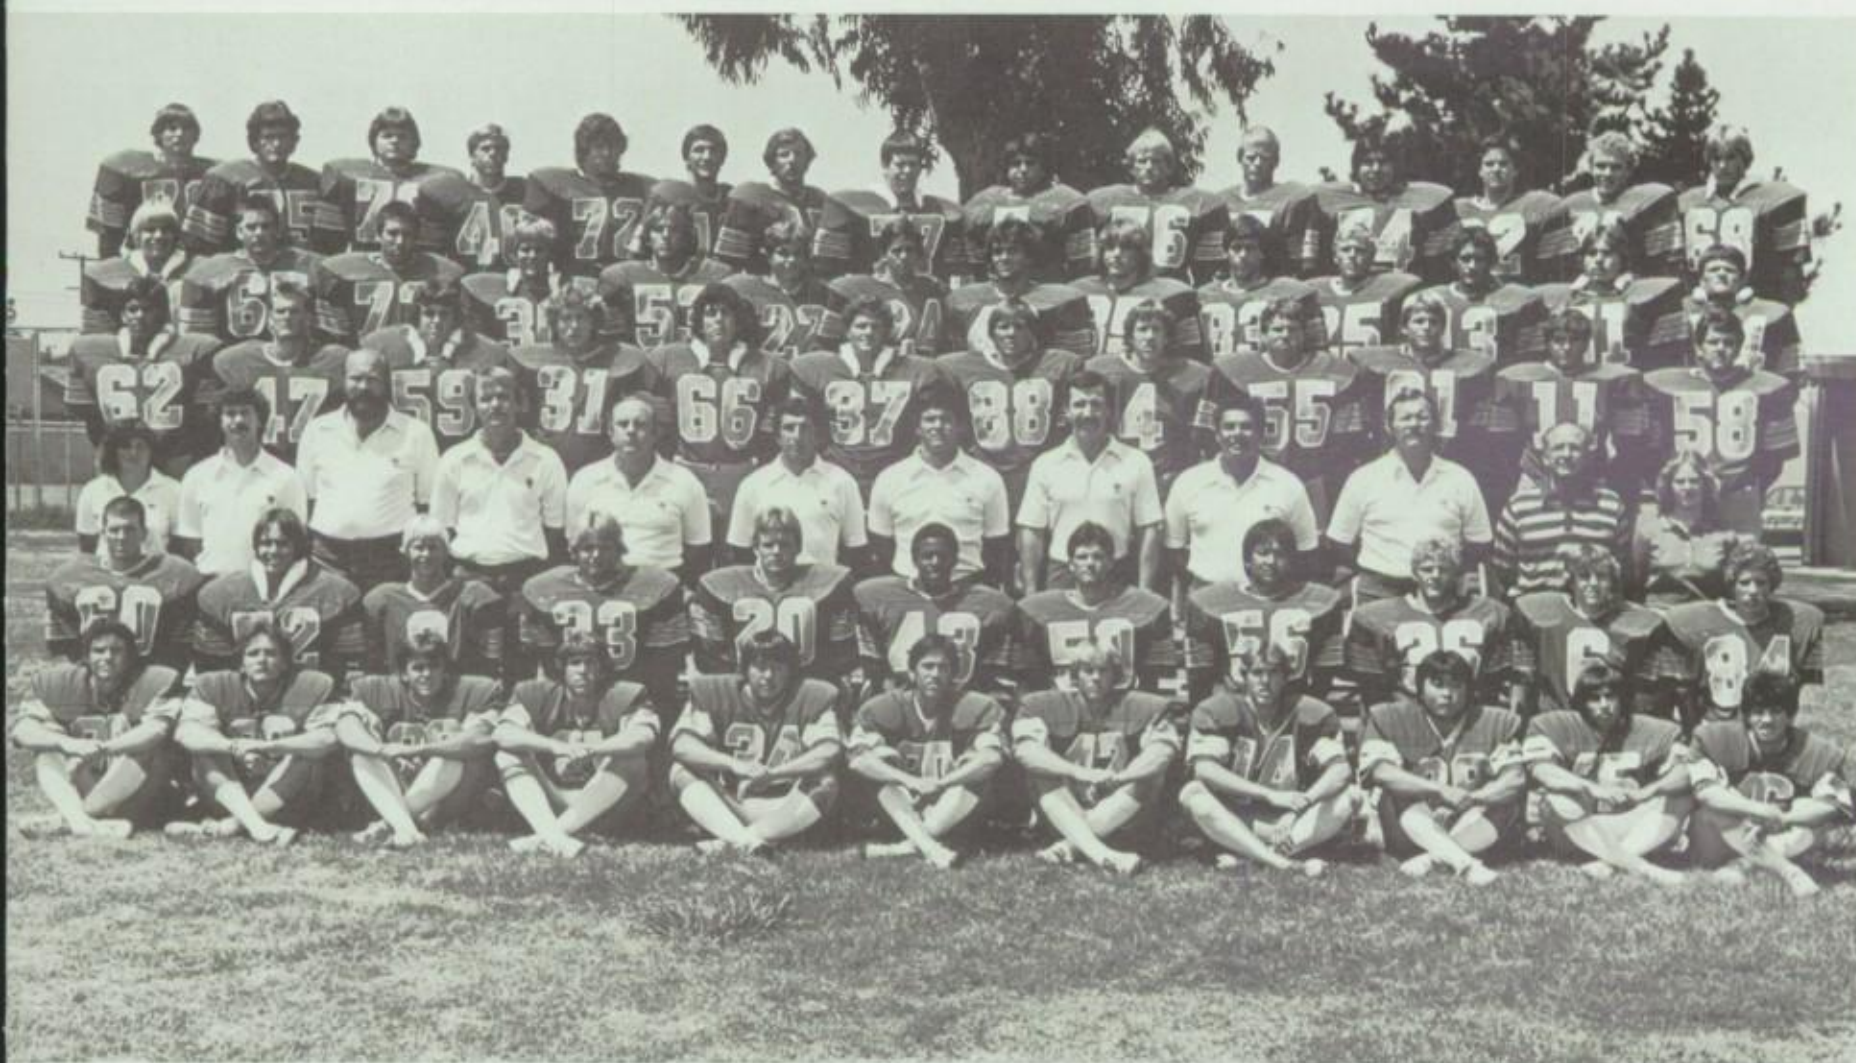

A Season Filled With Blue Pride

(1)

The Varsity Football Team finished another outstanding season with an 8-4 overall record and a 3-2 league record. The Barons finished in third place behind Edison and Marina, the two top-ranked teams in the county. Despite the early season loss to Saint Paul the Barons bounced back in an exciting victory over Servite; Matt Stevens threw a 50 yard touchdown pass to Joel Seay with only 29 seconds left in the game to lift the Barons to a 20-14 victory. The next two games saw the Barons defeating Lakewood (34-10) and Huntington Beach (35-0), with Rod Emery scoring 8 touchdowns including runs of 71, 56, and 36 yards. They went on to post victories over Ocean View and Westminster but lost to Marina and rival Edison. In the first round of CIF playoffs the Barons faced St. John Bosco and rolled over them 30-6. The victory was paced by the fine passing of Matt Stevens and the running of all-county running-back Rod Emery. (continued)

Opposite Page: The Baron Air Force: Matt Stevens, Joel Anderson, Joel Seay, and Greg Bolin.

(1)

(continued) the next week the Barons faced powerful St. Paul. The rain put a damper on this game, slowed down our running and grounded our Air Force. The Barons lost this game eliminating them from the playoffs. The offense was led by Rod Emery who rushed for over 1,300 yards and led the county in scoring with 25 touchdowns. Joel Seay was the leading receiver with over 1,000 total yards for 46 receptions. Joel also returned a kickoff 98 yards for a touchdown against Edison in the first 15 seconds of the "Big A" game. Matt Stevens threw 9 touchdown passes for more than 2,000 yards. Other outstanding players were: Bolin, Victorino, and Crane offense; Roberts Chrisco and Geadon defense.

The Baron Junior Varsity football team finished its season with a 3-1-1 record in league, 7-1-1 overall. The Barons won their first 6 games and then went on to tie Ocean View 8-8 in their seventh.

Next they beat Westminster giving them a 7-0-1 record and a shot at the league championship. They lost their final game to Edison though ending up their season a close second. The quarterback duties were shared by Dale Frye and Mark Flippin with Brian Pavalko and Scott Garrett doing most of the running. The defense was led by Al Shaw and Bruce Cook.

(2)

(3)

(4)

This year's Sophomore Football Team finished up in second place with a 3-2 record in league action and a 4-5 record overall. The Barons unfortunately plagued by injuries, such as that suffered by tailback Alex Gittens, posted victories over El Toro, Marina, Ocean View and Huntington Beach. The team was led by quarterback Brett Stevens and tailback Alex Gittens. Other outstanding players included Matt Anderson, Gary Schoonover, and John Ham.

(5)

(1)

The Freshman Football Teams came through with very successful seasons in keeping with the Fountain Valley tradition of athletic excellence. The district football team made league champs with a 5-1-1 league record and a 5-3-1 overall. The team was led by captain Chris Shattles and outstanding players; Jim Wayne, Joe Shurley, Mike Bassett, and Dave Kusselberg. The Sunset Team finished the season 4-4-1 and tied for second place in the sunset league. The team was coached by Tom DeKraai. Outstanding players included Cory Wilson, Cory Franco, Rick Snowden, and Chuck Trough.

(4) The 1981 Sunser League Champions: **Bottom row:** Ned Mosher, Bob Erickson, Danny Reynoso, Doug Mann, Drew Brown. **Top row:** Coach Bill Thompson, Ed Gould, Skip Dewenter, John Mitchell, Coach Licata, Coach Rosales.

(5) Most Valuable Bob Erickson, and team captain Ned Mosher running together in the lead. Alone . . . again.

(6) John Mitchell displays championship form during Marina race.

(2)

(3)

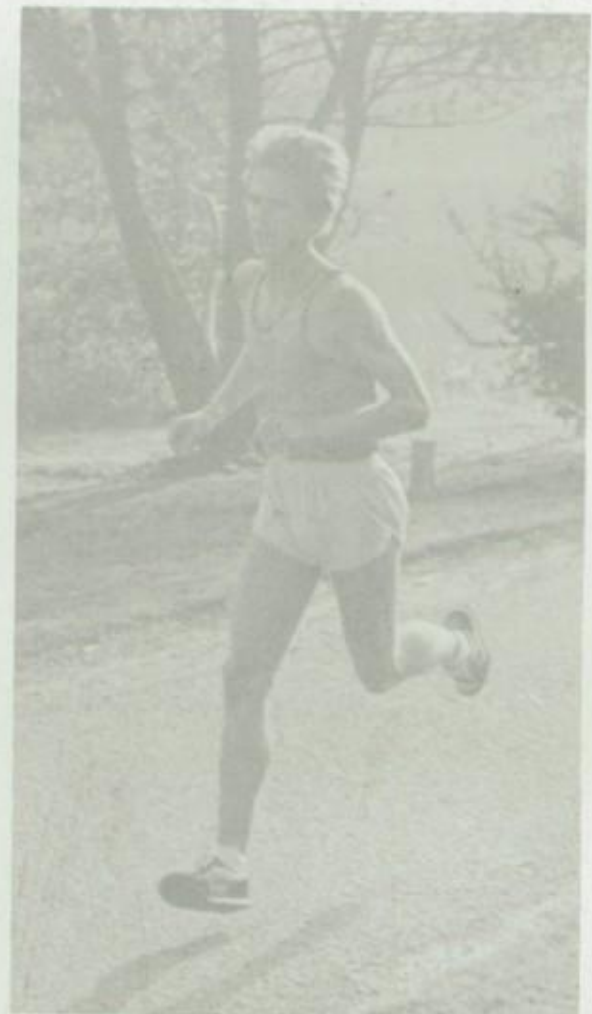

(4)

The Sunset League Championship was captured by our Varsity Cross Country Team **for the sixth straight year!** Leading the was was Orange County Runner of the year Bob Erickson. Bob had the fastest time-of-day at two major invitationals; Dana Hills (14:53 for 3 miles), and Costa Mesa (14:46 for 3). He also finished first in the Sunset League Meet, and placed 6th in CIF. A Cross Country Team, however, requires more than just one good runner, and we had several. Team Captain Ned Mosher was close in every race, finishing second only to Bob at Dana Hills where he ran a 14:55. These two runners led a team that went undefeated in league competition. Most improved runner Ed Gould helped, finishing fourth at the league meet. Steve DeWenter, Doug Mann, John Mitchell, Danny Reynoso, and Drew Brown filled out the remainder of this excellent team.

(7) Westminster falls prey to Drew Brown and the rest of our J.V.

(3)

(4)

(5)

(6)

The lower divisions of Cross Country fared almost as well as did Varsity. The Sunset League was run over everywhere by the boys in Blue-n-Gold. The assault on the league was led by an untouchable Sophomore team that took them first six places at the League Meet. The team, including Sean Walker, Barry Migliorini, and Mike Pycior, cruised to a perfect score. This outstanding effort by the Sophomores served to bring back the spirit of the entire team, because earlier the JV team fell short of avenging an early season loss to Huntington Beach. The JV Mafia, with Shawn Widick in front, got beaten by Huntington earlier that day. The mob, centered around Dan Christensen, John Pycior, and Doug McClements, fell just short of this goal.

The Freshman team, though not as colorful as the other divisions, still showed a lot of spunk. Most Valuable Player Shawn Ziebarth and Coach Rosales were the catalysts and with Rosales we know they worked very hard.

(3)

- (1) Varsity: **Bottom:** S. Mills, M. Kerby, H. Pringle.
Top: K. Cerda, A. Gilbert, L. Charette, B. McGlinchey, D. Crabtree, C. Roque, Coach Clark.
- (2) The Beginning of the end for Ocean View.
- (3) Nearing the two-mile mark, Heather Pringle and Lori Charette are out in front.
- (4) JV runners dominate the Marina team.
- (5) Jill Doan and Lori Gillis led the pack.
- (6) JV: **Bottom:** T. Lee, J. Doan, K. Autry, K. Gaddis, L. Bryant, L. Christensen, D. Sino. **Middle:** D. Kahn, J. Bien, M. Jenkins, E. Eriksen, M. Benevidez, Y. Feng, M. Brouillard. **Top:** K. Kelley, L. Gillis, W. Herman, K. Cerda, K. Wilson, J. Strollman, K. Girardot, Coach Clark.

(4)

The Girls' Cross Country teams had a very successful year. They lost only one dual meet and the young, but talented group progressed rapidly throughout the season.

(5)

The JV Team proved to be the best in the league and took the Sunset League Championship. The Varsity team was in top form, also earning 6th place in CIF Finals.

Even though the teams were plagued by injuries Coach Stan Clark encouraged the girls throughout the season and can look forward to a winning season next year as well.

Under the coaching of Greg Boyer, the Varsity Water Polo Team had a good year. They had a final league standing of 4th place and posted a 4 and 12 record. The Team Captain was John Bright, MVP was Steve Lendino, and the Most Improved Player was T. J. Roman. Some outstanding games included the Westminster game where we won with a score of 17 to 10, and the great defeat of Huntington Beach, 12 to 5. Selected to the All-Sunser League First Team was John Bright. The second team selection was Miles Nomura and receiving Honorable Mention were Bob Lewis and Steve Lendino. Although they will be losing most of their starting players, the coaches feel next year's team will be very successful.

Our J.V. Water Polo Team did a terrific job this year. With their perfect season record of 15-0, its no wonder they placed 1st in league. Remarkably, ten members of the team received All-Sunset League Honors. The Team Captain was Jim Eriksen, MVP was Mike Gendreau, and the Most Improved Player was Guy Buker. Their best game was against La Serna where they devastated them 23 to 2.

Ending with a 17-3 record, the Sophomore Team tied for 1st in league play. They were led by MVP Jeff Baumgardner, one of four players selected to the All-Sunset League First Team. The Team Captain was Scott Singer and the Most Improved Player was Frank Prior.

The Freshman Team placed 2nd in league with a record of 9-4. At the Awards Banquet, special awards went to Tony Dalton — Team Captain, Tom Dervartanian — MVP, and Most Improved — Kevin Olsen.

The 81-82 Girls Tennis season was extremely impressive. Coaches Ammann and Von Lützou led the Varsity team to 3rd place in a very competitive Sunset League.

Major awards on the Varsity level were presented to Alice Tranne for Captain, and Most Inspirational, to Libby Despot for Most Valuable Player, and to Lisa Noack for Most Improved.

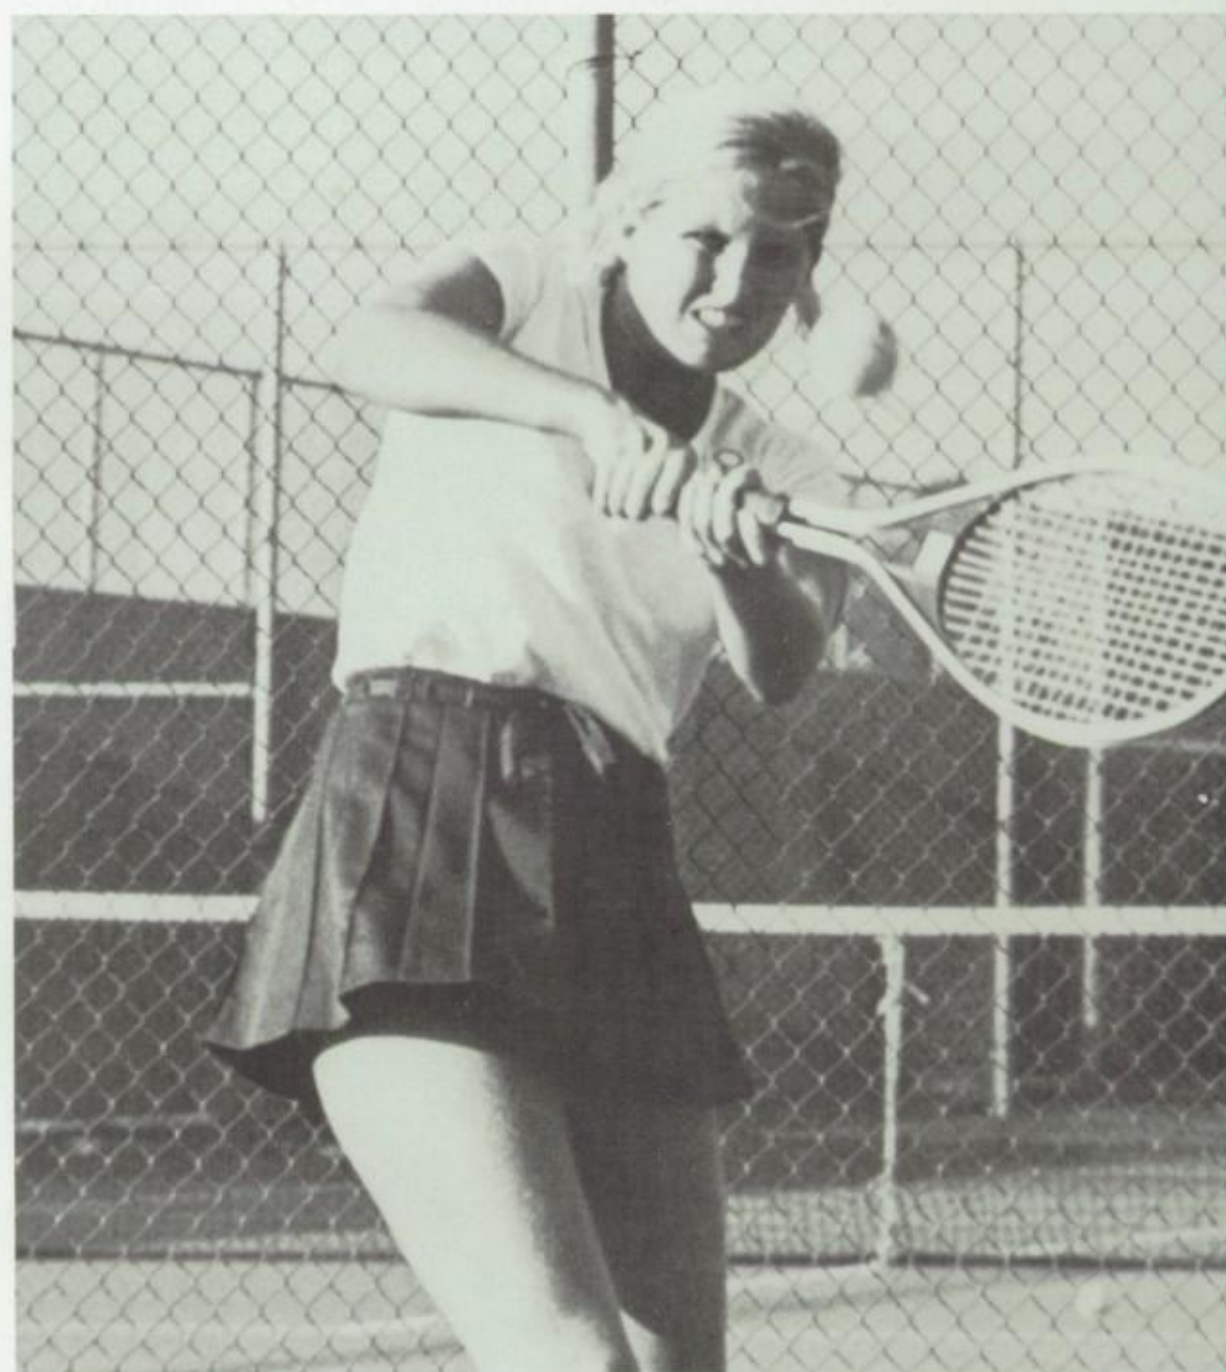

The Junior Varsity team was also quite impressive. Players like Kathy Fletcher, Lisa Sadakane, and Jill Spivak helped the J-V Team take 3rd place.

The Girls' Varsity Volleyball Team made school history by finishing second in the Sunset League and qualifying for the CIF playoffs. They compiled an 8-2 record in league, 3-3 in pre-season, and 14-5 in tournament play.

The team was led by Senior Sharon Hatfield, who was selected All-Sunset League first team. Other top performers were Phyllis Lange, Katrina Peterson, and Kathy Harty.

The JV team also did remarkably well completing their season in a tie for the League title. The JV team was coached by Doug Harbottle and compiled a 12 and 4 record overall, culminating their season in a strong finish by placing second in the 1981 Orange County Girls JV Championship. Top players included Laura Timmons, Julie Myers, and Teri Newman.

The 1982 Modern Dance season was one to be proud of. The team hosted 11 other high school teams in the Choreographer's Winter Concert, and danced at Laguna Beach High in the Invitational Concert. The dancers also produced their own concert in June. Each year Dance Scholarships are awarded to outstanding dancers on the team so that they can attend summer workshops. Members have danced in summer programs at the University of Utah, Seattle's summer institute of dance, the University of Southern California Institute of Theatre Arts and the University of Hawaii.

The Varsity Basketball team began the season on the right foot. We hosted our own 8-team tournament and we lost only in the finals to a very good Ocean View team by a score of 61-59. All-league guard Jeff Hughes scored 33 points in that game and he continued on through the season in a similar manner. The next tournament was the annual "field trip" that Coach Brown gives his kids every year. It was held North in Sunnyvale. We won this time by defeating host Fremont in overtime by a score of 47-44. Jeff Hughes and Ken Harter were selected to both all-tournament teams and Ken was the tournament MVP at Fremont. We came back to play in the Orange Optimist Tournament where we went on to win the consolation championship after losing to Mater Dei in the first round. Again, Ken Harter was named to the all-tournament team.

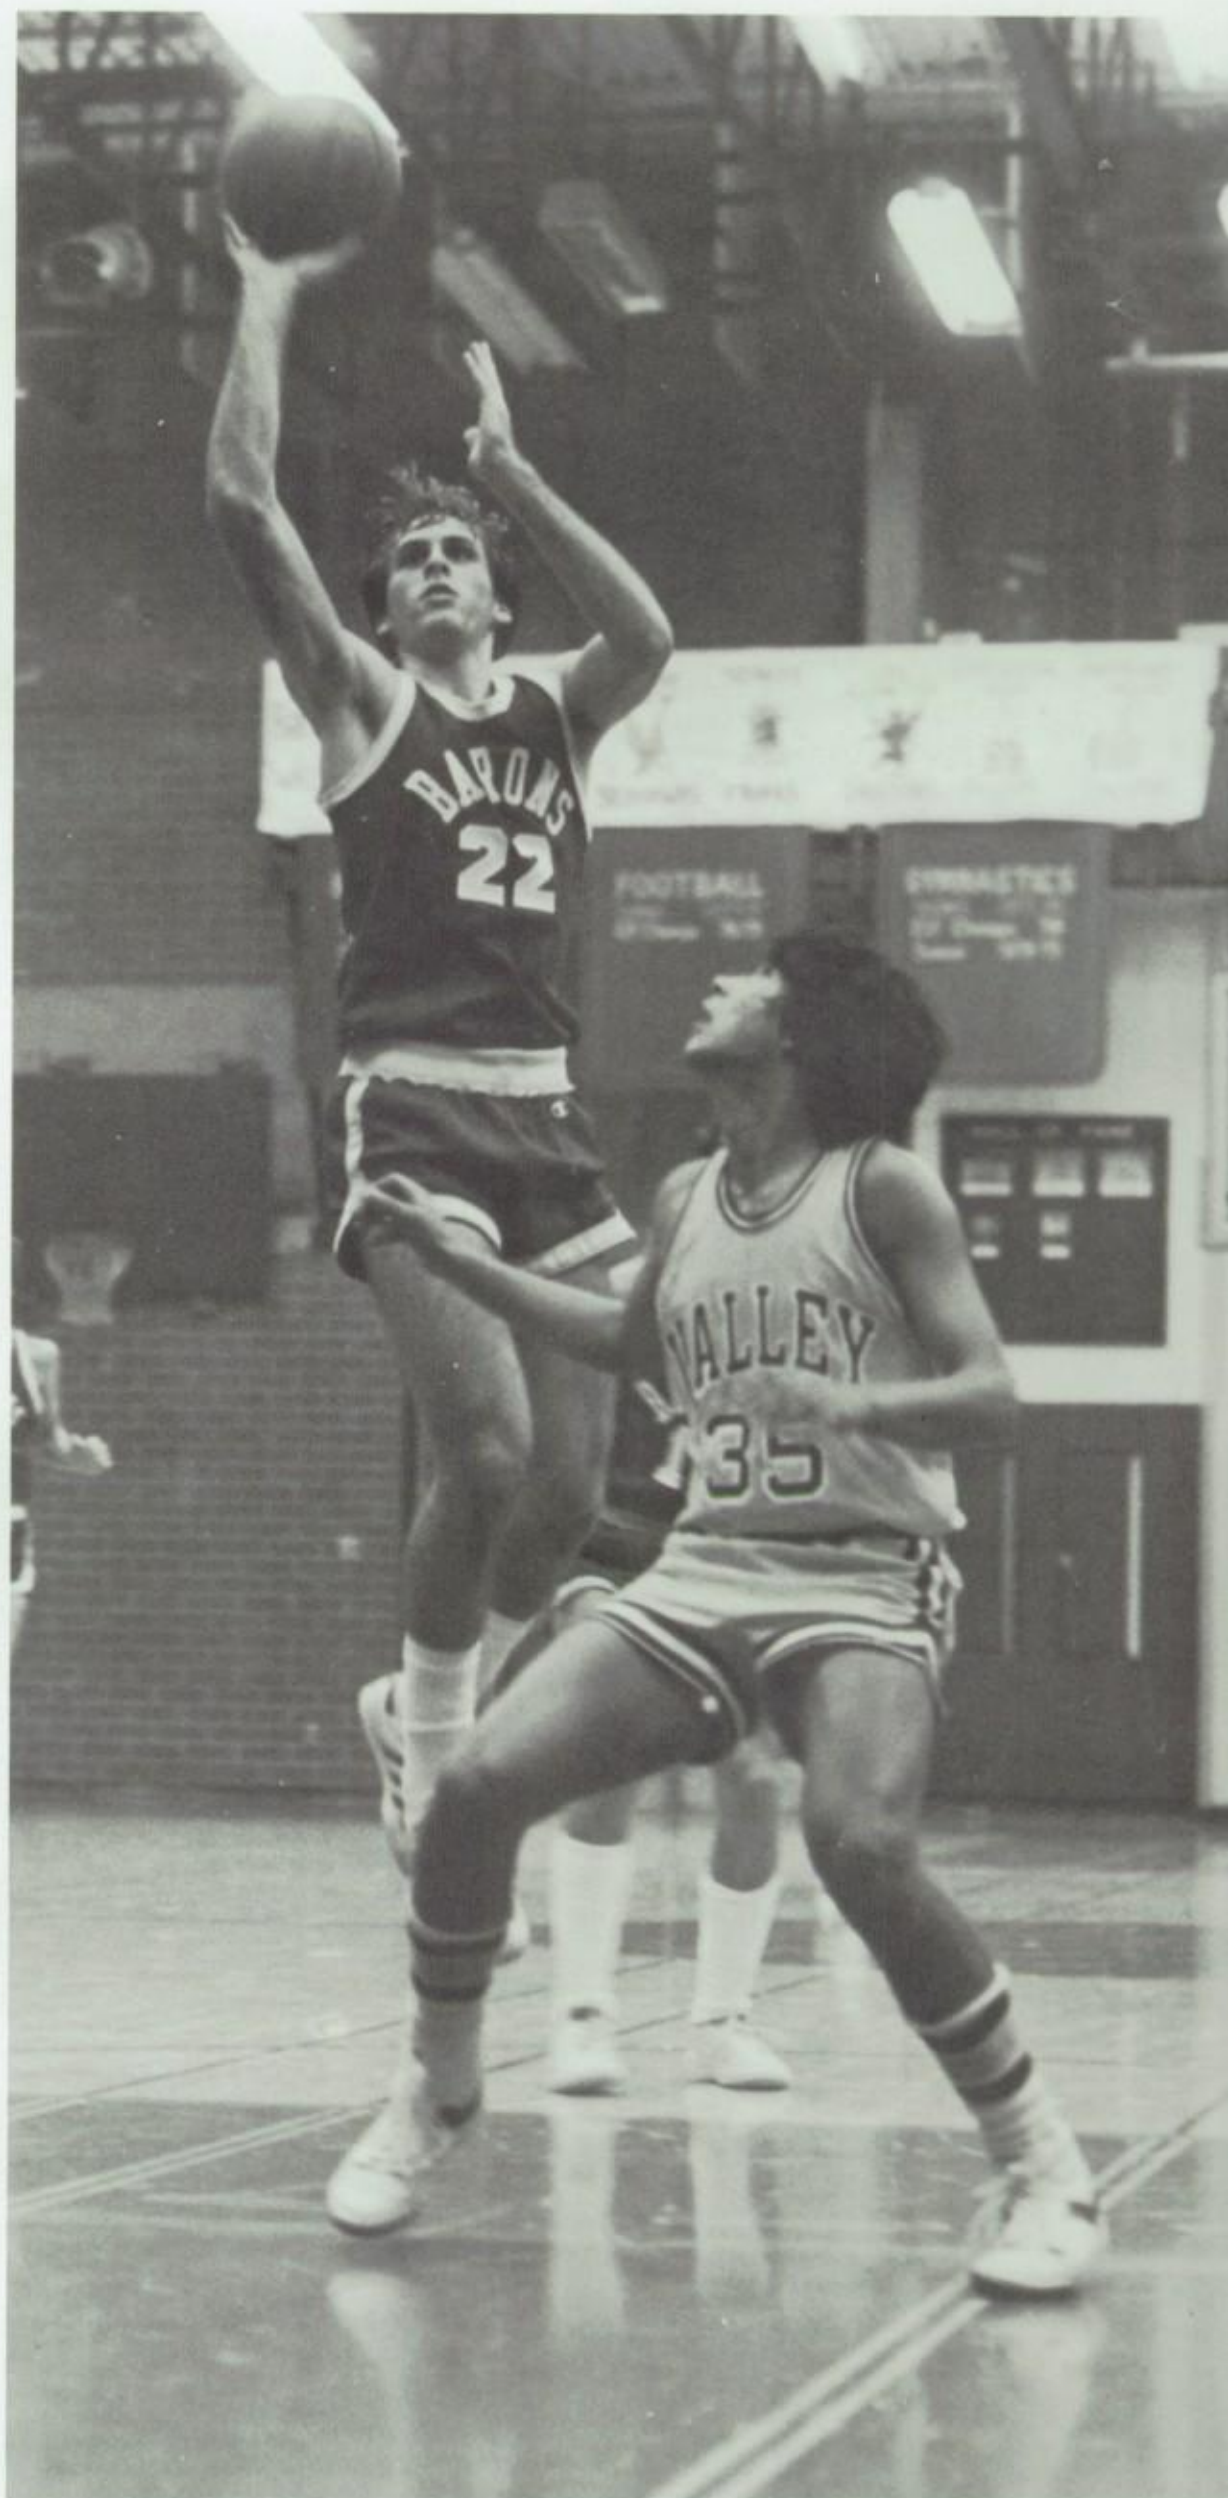

(4)

In league play, Fountain Valley had the pleasure of competing in one of the roughest leagues in Southern California. First of all came Huntington Beach. We defeated them by a score of 81-72. This was the high point of the first round, though, because we lost three of the next four games to Marina, Ocean View, and Edison. But with a 68-43 victory over Westminster, we were 2-3 and still in contention for a playoff berth. At this point, midway through the season, we were ranked as one of Orange County's top 10 teams, as were Edison, Ocean View, Marina, and Huntington Beach. In fact, none of these five teams had much of an advantage over any others.

The second round started out fabulously with a win over 4-1 Huntington Beach. This victory was sparked by a sterling effort by Dave Maurel, who scored 10 points and had 10 rebounds. Steady improvement was also being made by 6'5" junior Rob Whitehair. Jeff Hughes, though, was the real catalyst as the Big Blue ran all over Marina by a blowout score of 75-44. He and Ken Harter were the true leaders throughout the season with Kenny averaging 11.7 points and 10.6 rebounds. Alan Villanueva was a returning starter and was the third leading scorer behind Harter and Hughes, who was merely averaging 22 points. Hughes was the third all-time leading career scorer during his two years of Varsity play. After another loss to Ocean View and then Edison, we were 5-5 and in a three way tie for third place with O.V. and Huntington Beach. Edison at 9-1 and Marina at 6-4 had clinched playoff berths and now there would be the 3rd place representative from the Sunset League to the C.I.F. playoffs. We were lucky to receive a first round bye, but again we were defeated by Ocean View and our season was at an end.

The Baron Junior Varsity Basketball team ended its season with a fine 21-4 overall record and a 2nd place finish in the Sunset League. The Barons took home first place finishes in the Ocean View and Fountain Valley Tournaments and captured a 3rd place finish in the Los Alamitos Tournament.

The team was paced by All-Sunset League players Tom Power and Drew Brown. Brett Hanson led all scorers with 312 points for the season. Other outstanding players included team M.V.P. Julian Harry, Mike Newton, and Scott Motherhead.

The Sophomore team had another outstanding season finishing at 21-3 for the year. Coach Rybacki led the team to a 9-1 record during league play and a share of the Sunset League Title. Mike Tinney, the Sunset League M.V.P. was the team's leading scorer with 360 points and also the leading rebounder with 175 boards. Other outstanding players were Scott McKeogh, Jeff Moore, and Gary Schoonover.

The Freshman Sunset basketball team continued its dominance over all other teams at the freshman level. This year they were voted the best freshman team in Orange County by the L.A. Times, and they increased their winning streak to 47 games. They went on to post a 23-2 record this season, with their only setback coming from a strong Millikan sophomore team. The Barons went 10-0 during league play and captured their second straight Sunset League title, with impressive victories over Marina 50-28 and Edison 64-27. The team's offense was led by league M.V.P. Scott Emerson who scored 265 points and had 88 assists. Other All-League selections included Jim Reach, Bret Martin, and Rick Snowden. The District Freshman team went 11-6 on the year, and showed a strong performance on the Fontana Tournament where they captured second place. The team was led by Dennis Lund, who led the team in both rebounds, with 108, and points, with 118. Other top performers include Craig Stread, Clark Peterson, and Mark Hisoka.

Dedication and desire brought with it several successful moments for the girls basketball teams. The Junior Varsity team ended their season with a 12-6 overall record and a 2nd place finish in the Sunset League. Top players included Yvette Reyes, Alicia Mitchell, and Cheryl Henderson.

The varsity team took a 1st place finish in the Sunset League for the second consecutive year. Pre-Season put the Barons up against first class competition and the result: success, growth, and determination. The varsity successes included the quarter finals in the Garden Grove Tournament, Sunset League Champions, and the quarterfinals of CIF play where they were defeated by the #1 ranked team, Riverside Poly. Leading scorers for the Barons included Lisa Ginsburg, Deanna Davis, and Theresa Puchalski.

Have an Outstanding Year

(3)

The Junior Varsity and Frosh/Soph wrestling teams both had outstanding seasons this past year. The J.V. team also ran up an impressive 21-0 record in dual meets, and a league championship. Outstanding players on the J.V. team included Mitch Nelson. Mitch's 21-1 record was the best on this successful team.

The Frosh/Soph team ended the year out with a record of 18-3. They won the Marina 6-way, the Mission Viejo 5-way, and the Mayfair Tournament. Two promising Frosh/Soph wrestlers were Russ Abrahams (22-1), and Scott Harrington (23-1).

The varsity soccer team was the best its ever been. They were a very talented team under the direction of "The Coach of the Year" Rick Marolt, who led them to a second place finish in the Sunset League.

The team played many good schools like Marina and top ranked Canyon High. This only encouraged our players to work harder and to improve their game. Such players as Jimmy Jensen, awarded "The Sunset League Most Valuable Player," and Mike Pearlman led the team to their many victories. Other outstanding players included Kevin Ferrel, Chuck Smoot, Todd Andrews, Luan Nguyen, and John Underwood.

With the combination of talent, skill, sportsmanship, and unity, the season ended successfully only to promise a champion team for the future.

During the course of the 1981/82 Soccer season, the J.V. and Frosh/Soph teams had a very challenging season.

The Junior Varsity team had a very strong start. As the season progressed, they faced many tough competitors and weren't quite as successful, but with the excellent coaching of Gerald Ashby, the season ended on a good note. Thanks to the outstanding play of Mark and Dave Folkins who led the team, also Scott Sedlak and Greg Cupin showed definite promise for the future Varsity team.

The Frosh/Soph team had a very trying year. They were a young team but soon learned to work together and improve their skills. Many players plan to return next year.

(4)

(2)

(3)

(5)

The outlook for the 1982 Varsity Track team is excellent. We have 4 returning C.I.F. finalists from last year's Sunset League Champions and we have some new talent to back up the more established performers. In the sprints this year we have, of course, Rod Emery, who has been a mainstay for three years and is a returning MVP. He will get help from David Soohoo, Rick Nichols, and Todd Andrews. Roderick's specialty is the 440, but he is versatile enough to run events ranging from the 100 yard dash to the 880. Todd, Rick, and David are also hurdlers, the best group around. Todd is the returning league champ in the 330 low hurdles. Tom Tessier and Chris Sperle are also low hurdlers, and any one of these gentlemen can run in the mile relay. 880 specialists Joel Anderson and Chuck Smoot are also on the relay, but it depends on the individual meet as to who will run. In the mile and two-mile we are stronger than we have ever been, with Bob Erickson and Ned Mosher as two of the best runners ever at Fountain Valley. These two can both run the 880, and have both been strong since they were sophomores. Ed Gould and Doug Mann are two juniors who should take a lot of pressure off them. In the field events, Trey Martens and Kevin Quinlan should add new blood in the discus and shot put, while Tom Pierson and Mike Delcoure are excellent pole vaulters. Shawn Cephas and Russell Geck are both jumpers and Mark Shaw is also in the long and triple jumps. This is conceivably one of the better teams that Fountain Valley has ever had, and this will hopefully be our second year as the Sunset League Champions.

(3)

(2)

(4)

(5)

The lower division track teams should have another outstanding year. The Frosh/Soph team is returning a strong crop of Sophomores from last year's league champs and the Junior Varsity has good competitors up and down the line. Tom Powers and Dennis Hollindrake are outstanding sprinters for the Frosh/Soph and Danny Reynoso, Chris Lung, Dan Christensen, with Steve DeWenter and Shawn Widick, comprise the core of the J.V.s. Bill Stoner is the leading shot putter and discus thrower for the Frosh/Soph.

This year's girls track team was much smaller than it has been in the past. Under the direction of Coaches Stan Clark and Chris Shield, the team had an excellent season. The field event Coaches Jim Coen and Dave Litica also helped add to the team's strength. The Junior Varsity Team was very young. It consisted mainly of Freshmen and Sophomores who learned a lot about working together and the skills needed to have a strong team. The varsity team had many returning lettermen who all worked toward a winning year. Leading the team were four year lettermen Valerie Macayan and Sharon Hatfield, with other returning senior lettermen Wendy Herman and Alison Ammerman. Even though the teams were young and small the future looks great for the teams yet to come.

Although there have been recent cutbacks in funds the Golf team was able to exist due to a grant from the Chevron Oil Company. The team was coached by Dave Brown, who expects this year's team to be in heavy contention for the Sunset League Championship. Top players are Mark Walleigh, Alan McGrew, and Mark Flippin, all of whom have been on the varsity squad for the last three years.

This year, Coach Palmer's defending Sunset League Champion coed badminton team boasted many talented doubles and singles players. Leading in singles play was Linda Schwartz for the girls and Brian Kiimit for the boys. Rob Mueller teamed up with Joe Samluk in boys' doubles and with Sam Chambers in mixed doubles. Both combinations were very successful. Sam also played with Michelle Samluk and the two proved to be a very powerful girls' doubles team. The team looked forward to another championship season and have performed brilliantly so far in pre-season.

This year the Varsity Gymnastics team should once again be one of the best around. They have set history by winning C.I.F. titles for the past two years and last year set a C.I.F. record by scoring 142 points during a dual meet. They have also won the Sunset League for two years, in a league that had three teams out of four C.I.F. finalists. The entire team is strong, but Senior Karin Perry and Freshman Lisa Gordon are the best all-around performers. It is a smaller team than usual, but this shouldn't inhibit their performance as Coach Bartlett will try to lead them to a third straight C.I.F. Championship.

The Boys Varsity Swim Team got off to a good start this year, as they carried on the tradition of being one of the best in the area. They did very well in their meets and placed third in the FV/Marina Relays as they begun their drive for the Sunset League Title and CIF. The guys endured two strenuous work outs each day, some of which included dry-land activities like weights, exercises, and stretching. The team had many returning lettermen such as seniors John Bright (an All-American), Ken Schultz, and Willie Huang, and juniors Steve Bentley, Miles Nomura and Mark Wan. Other strong swimmers included Jeff Baumgartner and Jeff Moore. The Boys had an excellent season and look forward to another exciting one next year.

Just like Varsity, the Junior Varsity and Frosh/Soph Swim Teams had an enormous amount of talent and depth. They both worked equally as hard in an attempt to capture the league championship and to move up to Varsity. Coach Miller kept a watchful eye on the frosh/soph swimmers and used his insight and experience to lead them to victory. The Junior Varsity team worked out with Coach Bray and the Varsity Team. Strong swimmers included Scott Lamborn, Scott Singer, and Bob Reynolds. The future holds no limits for the talent of these young men.

The Girls Varsity Swim Team was nothing short of sensational this year. One of the main reasons for their great success was Greg Holland, a new member of the already supreme coaching staff. He trained the group of dedicated young women on a very intense program throughout the season.

They worked out for nearly two hours every morning, starting at 5:15, and for another two hours in the afternoon. Part of their workouts consisted of strenuous dry-land activities to further develop their strength. The team was led by such flexible athletes as Judy Armstrong and Amy Clark, seniors Michelle Theus and Jenny Huff, distance swimmer Sally Schultz, sprinter Laurie McKean, and freshman Cathy Blunk. Sophomore,

Amy Clark, made CIF for the second consecutive year and set a new school record in the 100 yd. breaststroke. She also qualified for Junior Nationals in that event. Judy Armstrong also succeeded in breaking many of the former freestyle records and was a prime CIF contender. Michelle Theus, the only four year letterman, continued to show her strength. And the speed and agility of Cathy Blunk will keep the team going for the next four years. The team was

united this year. The girls pushed themselves harder than they ever had before and supported each other every step of the way. There is no doubt that with the superb coaching and determination of the girls, this team will be one of the best for many years to come.

There were a surprising number of girls that came out for the Junior Varsity Swim Team this year. Coach Bray patiently worked with the young ladies and a lot of hidden talent was revealed throughout the course of the season. The girls got off to a good start with their second place finish in the F.V./Marina Relays, and continued to have a winning season. Outstanding team members included Merle Davidson and Julie Wilson. These girls will make up an excellent Varsity Team in the years to come.

The divers also continued to develop their team. They practiced new dives and perfected old ones in their quest for victory. Senior, and three year letterman, Donna Dempsey, led the girls varsity team along with junior Erin Cole. Frank Prior was a stand out on the boys team. All of the divers added a nice variety to the F.V.H.S. Swimming program.

The Baron Varsity Baseball team was one of the strongest teams in Fountain Valley's history, with strong hitting, pitching, and fielding. The Barons were led by the All-Sunset league, power hitting, first baseman Dean Roberts. Dean is at his third year of varsity competition along with shortstop Steve Jongewaard, who was an All-League selection his sophomore year. Rounding out the infield at third base is John Elliott, and the team captain at first, Tim Martino. Pat Connor another one of last year's All-League selections will be back in the outfield this year along with Dave Stewart and Greg Arnold. Scott Sharr and Ken Demarco will also see a lot of action this year in the outfield. Our catching is believed to be the best in the league with Steve Pratt, Chris Schoitt, and Tim Manchin all seeing an equal amount of duty behind the plate. Steve Burt, Rick LaMarshe, and Brian Ayers are returning from last year's pitching squad with top newcomers being; Greg LeMaster, Kelly Romine, Don Gregor, and Brian Belcher. Coach Joe Miller, in his second year as the varsity coach, is expecting a lot from his players and even maybe a league championship.

The Junior Varsity team concluded another outstanding season this year with a fine finish behind a strong team. Starting players included Gary Schoonover, Scott Runge, Joe Jacquemaud, Rich Decanio, Dwayn Madje, Randy Rolland and Kelly Bowman. Some of the starting pitchers for the Barons included Noel Yan, Rey Llams, Scott Runge, and Troy Stivers. Due to the excellent coaching of Coach Vasilchak and Coach Lamasa the Barons proved to be a real powerhouse in the Sunset League.

Coach Dekraai was proud to have been part of another good year with the freshman baseball team. Although the league looks very tough this year Mr. Dekraai feels his team will be in contention to the finish. Top prospects on the team include Dennis Lund, Randy Sharpnack, Jim Reach, and Dave Swigart.

This year's Baron Softball program proved to be a great success. On the Varsity level the players were self-motivated and knew what they needed to do to accomplish the team goals.

Seniors and juniors working with less experienced players sharing ideas and helping improve skills was the key to a total team success.

This year's players were a great group who knew what they wanted and what must be done to achieve it.

The junior varsity team was a tremendously talented team made up of mostly freshmen and sophomores. With their new Coach Mr. John Costely, they learned what CIF softball is all about.

The future of Fountain Valley High School softball is extremely bright and the Barons will be a CIF contender for a number of years.

This year, we have been served up a group of outstandingly talented volleyball players. Last year, we were the league champions on both the Varsity and J.V. levels. The Varsity looks very strong — even though Ken Harter is the only returning starter. He is being highly recruited by several colleges and will lead the front line. Our blocking is our strongest point with Ken, Rob Whitehair, and John Kosty. Only three players will be graduating this year, so the future looks good.

The J.V.'s have plenty of raw talent this year, and Coach Doug Harbottle will try to mold Tom Powers, Brent Hansen, and Rolf Jacobs into champions.

This year FVHS added something new to its athletic section . . . girl's soccer! And both teams put on excellent performances. The Varsity Team, under the coaching of Dan Scobell, was lead by seniors Cathy Munsee and Pam Buddingh. Their league record of 4-4-1 was good enough for third place in Sunset League and a CIF playoff berth. The girls faced Mission Viejo in the CIF game which ended their season with an overall record of 8-7-1. The Junior Varsity Team was coached by Ms. Palmer. They, too, had a successful first season, winning most of their games. All the players had a lot of determination and drive. They are certain to have many future years of success.

The Girls Field Hockey team has shown great improvement over last year. Their league record of 2-7-1 really doesn't reflect the girls skill and hard work — the preseason record of 3-2-1 is a better reflection of their effort.

The strong defense was led by Goalkeeper Tracey Lee and Halfback Yvette Walker. Both girls are sophomores and this is Tracey's second year as the Most Valuable Player. Yvette was one of the best defensive players in the league and her constant hustle and aggressive play showed it. During the course of the season, both girls received the award of Athlete of the Week, given out by the Student Government.

The attack was led by Best Offensive Player Allison Amerman. Ida Joseph was also a recipient of Athlete of the Week.

This year's Executive Council was known for action and fun. They implemented a teacher appreciation program bringing joy to many teachers. They also re-paved the walkway from the back parking lot, planned parties, worked with A.S.B. funds and became friends with a lot of the students they represent. A lot of the credit goes to Chairperson Joel Anderson who led the meetings and to Vice-Chair Marissa Van Ligten who replaced Joel in his absence. Other members included: Joann Kondo (Administration Chair), Kenny Coe (Senate Chair), Dana Ashley, Gary Field, Steve Mino, Suzy Newman, and Kevin Quinlan.

Commissions Raise Cash for Commencement

(4)

A Catalina trip, the Sadie Hawkins Dance, a Senior Luau, and Graduation were among the many successful activities planned by the Senior Commission. Class president Terri Sjodin led the meetings in the bungalows on Wednesdays. Other members such as Steve Burt, Heather Bucher, Tiffany Holliday and Diane Tropila were instrumental in organizing activities. Mr. Bovberg and Mr. Lacey were the advisors as the Class of '82 Senior Commission planned their graduation and had a great year. The Junior Commission, also advised by Bovberg and Lacey, had a lot of fun raising money for their class. Patti Butler as president led the club through fund raisers such as the carnation sale. Both clubs had a great year.

Frosh/Soph Commissions Raise Cash

Freshman Commission under the leadership of Gretchen Helfrich, had a very successful year. Among their many activities to raise funds for their Senior year, they held a very profitable candy and beef stick sale. This event raised for the class of '85 over 500.00. A tidy sum for this group of students.

Cheer on Barons

SPIRIT CLUB

1981-82 was the first year that Fountain Valley High School had a club whose main purpose was to promote school spirit. The Spirit Club is open to any student of F.V.H.S. and gives students the opportunity to demonstrate their spirit in a variety of ways. Spirit Club members were easily spotted in their "spirit shirts" on game days and noticed as the loudest cheering section at football games.

MARCHING BAND

The Fountain Valley High School Marching Band, which gained national recognition during its 1980-81 season when band members traveled to Washington D.C. to participate in the Presidential Inaugural Parade, returned to a year of changes and new challenges.

Mr. Mike Stopher, 1972 drum major, returned in 1981 as the new band director when former director, Mr. Frank Barnes, bid Fountain Valley High School "adieu" after many years of faithful service. Mr. Stopher has been a high school band director for three years. Another new voice of authority in the band belongs to Mr. Gordon Watson who served as the band's first drum advisor this year.

Band members were pleased and excited when, in October, they learned that they were invited to the prestigious "All Western Band Review" after having been on the waiting list for many years.

The 120 members, marching under directions from drum major, Steve Hoefler, and assistant drum major, Steve Harvey, received 1st place in the Artesia Parade and two 4th place awards in field tournaments.

Using "Blue Pride" as this year's theme, the pepsters helped cheer on the winning tradition of Fountain Valley High School athletics. Participation in pep rallies, half-time performances, and pep assemblies, in addition to cheering at games, were all ways in which the pepsters helped to keep the spirit of "Blue Pride" alive. The new advisors, Ms. James and Ms. Burt, helped encourage the girls and offered a helping hand. The girls raised money by selling spirit ribbons and buttons.

(3)

It was an exciting year for the Baron Drill Team which performed at Anaheim Stadium during the FV-Edison game half-time and also appeared in the annual Disneyland Christmas Parade.

Entering into in-field competition for the first time, the team won two 4th place awards for their half-time show entries. The 38 members, working under captains Suzin Ruggles, Lisa Goldman, and Karen Ela, as well as their new advisor, Mrs. Jean Clower, made a strong showing at the Colton Parade by receiving 4th place out of sixteen participants.

The success of this team was evident very early as they earned several awards at the Drill Team U.S.A. Camp they attended during the summer of 1981. These awards included 1st place, Jazz; 3rd place, military; the "Kick Stick" (spirit award); and the Superior Trophy for group scoring on routines learned.

Orchestra Displays Musical Talent

(3)

Under the direction of Mrs. Jean Clower and Mr. Bob Frelly, who is a student director from Chapman College, the orchestra successfully kept with the Fountain Valley High School tradition of superior orchestra performances.

The orchestra members not only participated in various festivals in which they earned mostly superior ratings, but they also performed at concerts and at school events such as Open House. Their presence lent an elegant musical aspect to these functions.

In the Spring, the orchestra practiced many extra hours in preparation for the spring musical, *West Side Story*. They also enthusiastically planned a trip to northern California.

Both the German and the Spanish Clubs sought to explore foreign cultures outside of the classroom. In order to see what a Spanish street once looked like the Spanish club payed a visit to the famous Olivera street in Los Angeles. Club president Kim Gieleroŵski also led the club through special lunches and fund raisers.

The German Club once again sold calendars filled with delicious German chocolate during December. They also traveled to Alpine Village to shop in German shops and see many authentic German crafts.

Keywanettes Build a Better Tomorrow

"Build a better tomorrow today" was the theme that Keywanettes aimed for this year as they put in over ten thousand hours of service in community and school projects. For the Keywanettes this was truly a year to be proud of. President Cynthia Nagura and Vice-President Tiffany Holliday led this group which boasted over 40 active members. Other board members were Joann Kondo, Grace Cho, and Kim McLaughlin. They participated in such projects as March of Dimes, Hyland House for abused children, Project Cherish and Camp Osceola.

Key Club "Pursue's Tomorrow's Potential"

(4)

Once again the Fountain Valley Key Club proved to be one of the best service organizations in California. Working under the theme, "Pursue Tomorrow's Potential," the 1981-1982 Key Club worked hard on both community and school projects. For their single service project, the club put in 4,700 of their 15,000 man hours to help raise over five thousand dollars for the March of Dimes at the sixth annual Haunted House.

Under the leadership of President Tim Doddridge and Vice-President George Leech, the club also worked with groups such as the newfounded Miola Builder's Club, the Huntington Beach Convalescent Hospital, the American Cancer Society, and the FV Neighborhood Watch.

With the help of advisors Warren Pendleton and Randy Golden, the other members of the board, Bob Togle, Kenny Coe, and Greg Leech, helped guide the club through another successful year. The club looked forward to many more successful years thanks to the high caliber of the younger members.

*ERICK,
YOU ARE A
LOWLIFE WITH
NO TALENT,
FRED
LARSON*

In early September this off-the-wall group met for the first time to discuss the fate of the 1982 yearbook. Their job was to write stimulating copy, take exciting photographs, and most importantly to keep rabid members of the staff restrained.

Throughout the year these ladies, gentlemen, and photographers met fifth period and worked busily at quad-paks, picture cropping, and the fine art of double-exposing needed photographs. Mr. Gary Wheaton the advisor often encouraged the staff by telling them "It's your yearbook," or "Don't be a twinkie." His support was greatly appreciated. This staff rose to face the challenge of producing a yearbook and did a great job.

A Very Successful Dance

The 1982 Winter Formal would never have been a success were it not for the hard work of the seven members of the Winter Formal Commission. These girls, led by dance Chairperson Joann Kondo, planned, ordered for and decorated the elegant South Coast Plaza Hotel Ballroom for the dance.

A great deal of time was also donated by the 14 dance chaperones. Without these generous faculty members an event like this could not have been enjoyed.

Barons League Strives to Be Social

(1)

Baron's League, a co-ed social club, was very active during their first year at F.V.H.S. Baron's League is an extension of the traditional Girl's League. This year Baron's League sold Santa-Grams and planned many social activities. These plans included trips to San Diego, Universal Studios and Griffith Park. Locally, they planned nights out at the movies, plays, and skating rink. Baron's League was helped by Ms. Pierce, a special education teacher and was led by President Kirstin Carter, Vice-President B. Vanderziel, Secretary D. Kahn and Treasurer J. Nozaki. The Directors of Activities and Fundraisers are April Shinto and G. Wemmerus.

Stamp and Graphic Arts Clubs Do Well

(1)

A small group of students who are interested in stamp collecting formed a new club on campus this year. Under the direction of advisor Mr. Hubbs, the Stamp Club held their own Stamp Swap Meet, and attended many stamp conventions. They had a very successful first year.

Graphic Arts Club became an active one on campus this year. Graphic Arts includes photography, printing, layout and designing. The purpose of the club, according to the advisor Mr. Billings, is to improve workmanship. During the year, the Graphic Arts Club attended the VICA Skills competition as observers. Next year, however, they plan to attend the competition as participants.

Drag Club Races To Top

(1)

In its second year of existence, the drag racing team is currently the best team in Orange County. Last year, we were 2nd out of 160 teams. Every Saturday morning from 8-10, they meet at O.C.I.R. to race other schools. The eight member team has done extremely well and Mike McGregor had his '68 red, blue and gold Camaro on the cover of a well known magazine.

The Surf Club had a very active year. Coach Bob Roland did an excellent job helping the members with their surfing techniques and skills. Some outstanding members include: Greg De La Cruz, Jim Ronis, Pete Thompson, Jim Dawson, and Craig French. The members of the club surf every morning as they practice for competition. Many of them are members of the NSSA — the National Scholastic Surfing Association.

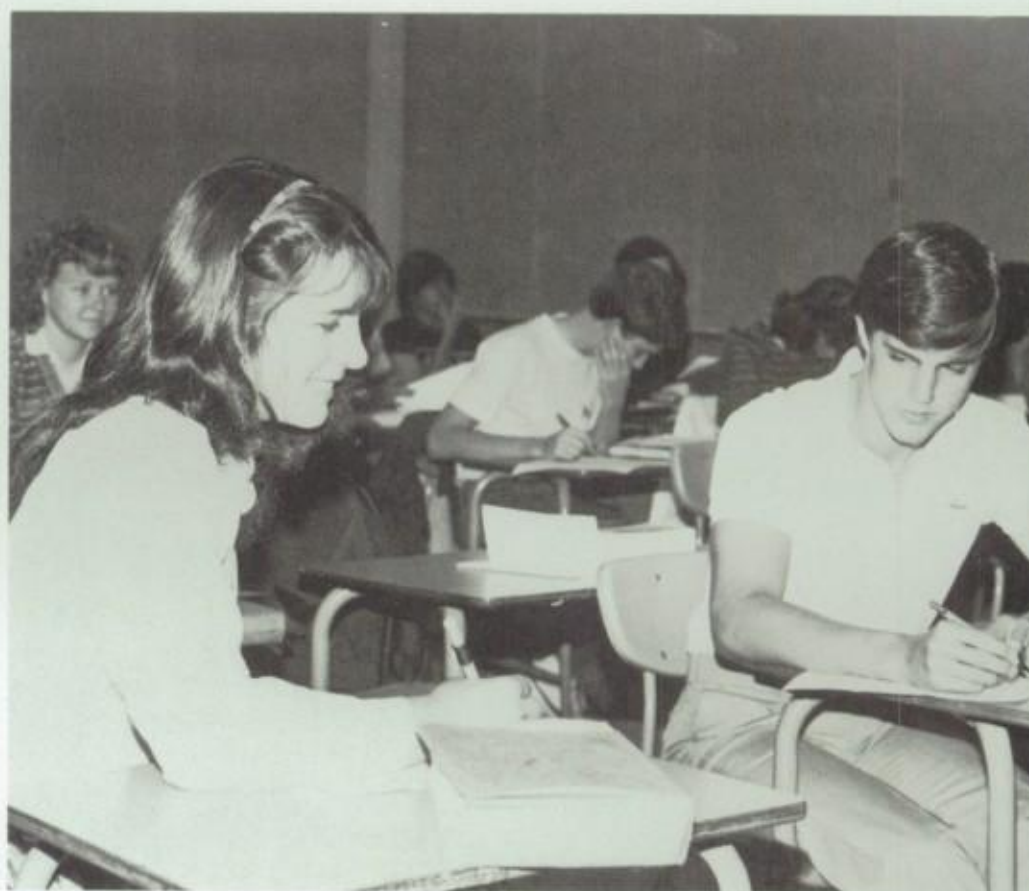

Math Team Top in State

The Fountain Valley Math Team, coached by Mr. Rafael Saenz, is composed of students who have exceptional ability to solve those "unsolvable" math problems. These gifted students compete with the finest state and national math students by taking tests that are made up of six extremely difficult and abstract questions.

The Baron math team is ranked number one in Orange County as well as number one in California. They are also ranked seventh in the nation. These students should be commended for their relentless efforts that keep the high academic tradition alive at Fountain Valley.

C.S.F., F.B.L.A. Help Students

Learning about business and interacting with the business community was the goal of the Future Business Leaders of America. Under the leadership of President Jeff Rohring and Vice President Glenn Grandis, these active students attended conventions, and entered many competitions to enhance their business skills. Advisor Mrs. Heese guided the club through a year that was successful, informative and fun. The year these members spent in FBLA will certainly benefit them as they enter the business field.

Strive to Prepare for Successful Futures

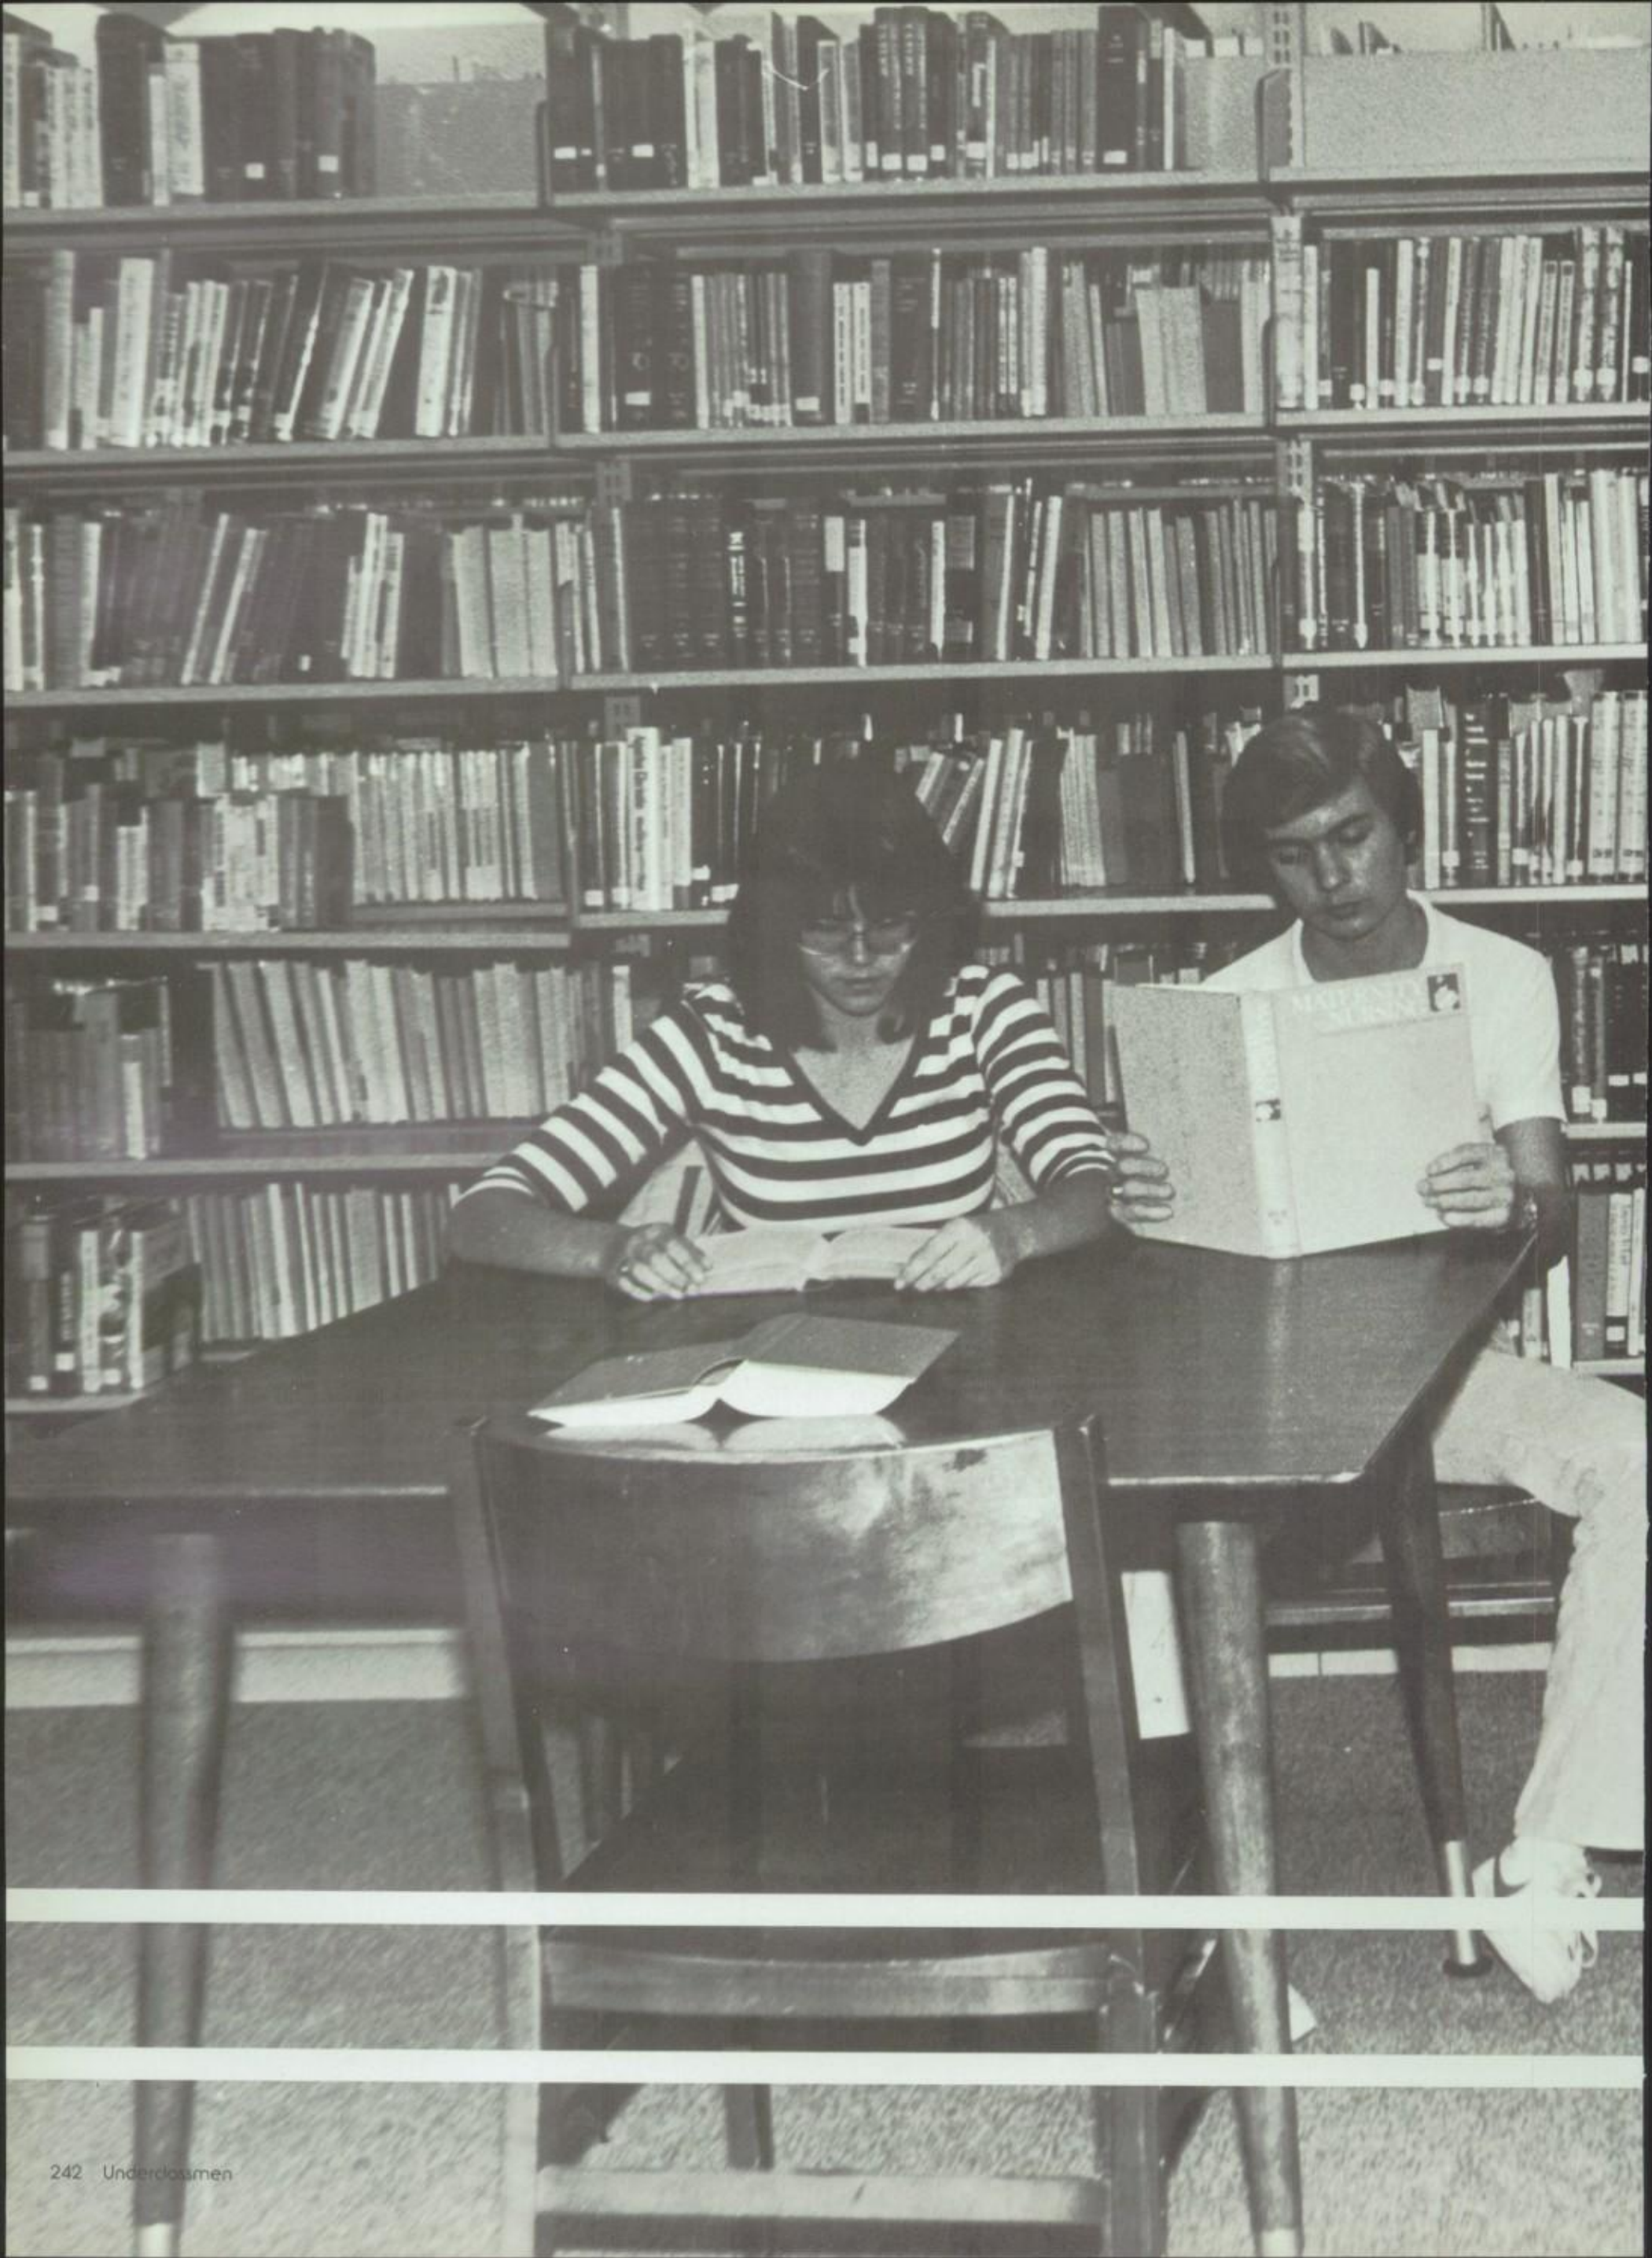

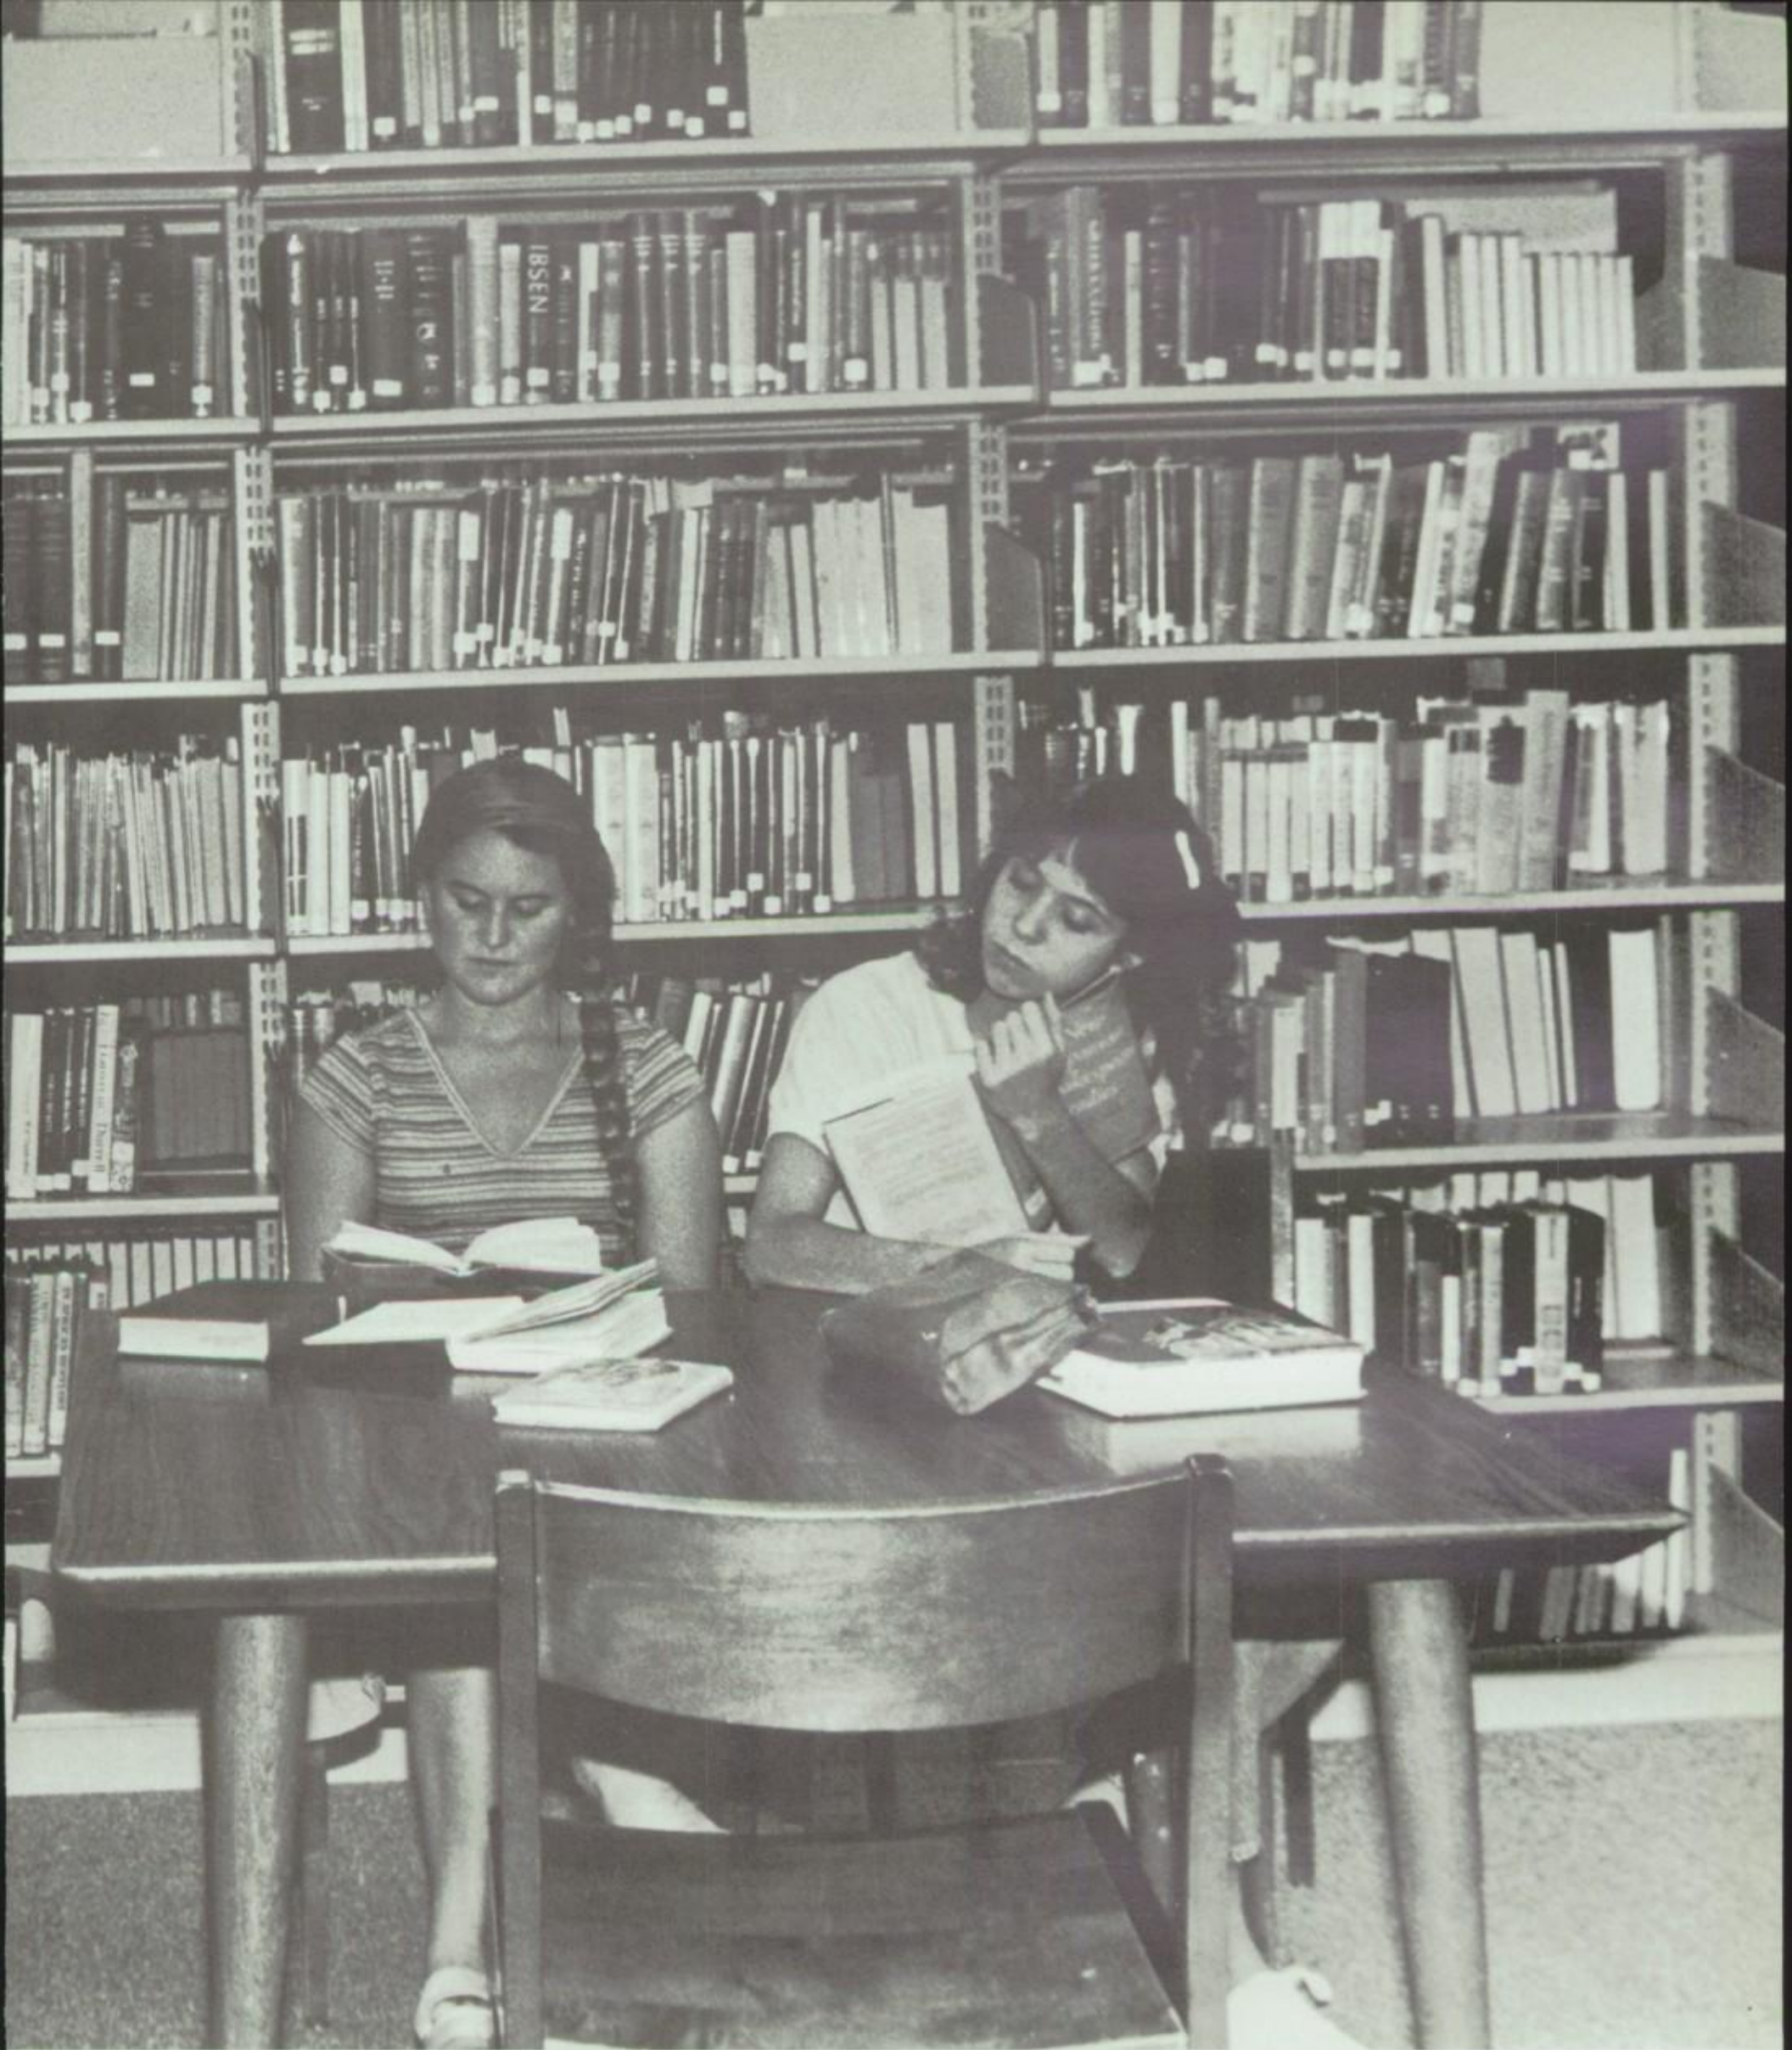

(4)

The California Scholarship Federation had a very successful year under the leadership of club president Marissa VanLigten and new advisors Mr. Jednoralski and Mrs. Ponce. The club, whose membership numbered over 200, is open to students who maintain a 3.5 GPA in accredited courses. Upon graduation, students who have been members for at least 4 semesters, at least one during their senior year, become honored seal-bearers. The club was busy this year revising requirements, and helping Fountain Valley celebrate its 25th. Advisors Mr. Jednoralski and Mrs. Ponce provided students with information about post-graduation opportunities.

Pushing Along

Administration

Mr. Dave Hagen

The Administration kept the pace this year making FVHS better than ever. Mr. Dave Hagen as principal, for the second year, provided authority for all to look up to and set the tone of this friendly yet effective administration. Although it is impossible to estimate the hours this group put in but most of them could be seen at almost any activity lending their support.

(1) Although his office is for rent Mr. Ybarra doesn't seem worried about his job.

Guidance

This year has been one of drastic change in the Guidance Department due to budget cuts which eliminated counselors. Working admirably well under a brand new system were the counselor technicians. These 'techs' made course changes and ensured that students were progressing satisfactorily towards graduation.

Supporting Staff

There are many positions which do not fall under Guidance, Administration, or teaching. Yet the people who fill them play an important part in the life of FVHS. These people are responsible for the Media-Center, for personal counseling, nursing, budgeting, and various other services.

We owe them a debt of thanks for performing these services which help to make student life enjoyable.

Clerical

Typing, filing, answering phones, delivering messages, keeping records, and making appointments . . . those are just some of the vital services the wonderful clerical staff at FV performs for us.

They are efficient, cheerful, and always willing to help. Students with questions can rest assured that they will go out of their way to assist you. These secretaries are responsible for a lot of behind the scenes work that isn't always recognized. We hope we never find out what it would be like without them.

Careers / Opportunities

The Career Center and the Work Experience office have experienced a great influx of students this past year. The Career Center has been expanded to meet the needs of college-bound Seniors while the Work Experience office offers an every-popular job placement service again this year.

Also located in this room is a CROP counselor involving over 200 students in practical training.

English

Mrs. LaGayle Holder

English class sizes have continued to be large with the exception of some Freshman writing classes. Nevertheless, with the help of a very dedicated, supportive group of English teachers, FVHS students continue to score well on the district proficiency tests.

This was the last year that English electives were available to seniors, next year both a one-year required Senior course and standardized curriculum throughout the district will be implemented.

Social Studies

Mr. David Tuttle

At this very moment history is being made. Will future generations look upon our accomplishments as mistakes or triumphs? This is one consideration the Social Studies Department is introducing to their students. All the classes offered were quite popular especially the Advance Placement course which allows students to obtain college credit.

The world is coming up computers. In Business and in our homes. As technological advancements continue to be made, the demand for skilled mathematicians of all sorts will rise stupendously.

The Math Department is helping to ensure that this demand is met.

Computer math has grown in popularity while the old favorites; Algebra I and II, Geometry, and Trig. remain full.

Bon Jour! Hola! Gutten Tag! All foreign Languages have had good enrollment despite the fact that it is not required to graduate. New department head, Martha Emde, strove to create a more personal atmosphere in the classroom. The culture of each country is now incorporated into language classes.

- (1) Mr. Sepulveda uses props in Spanish.
- (2) Mrs. Ananian smiles at a students pronunciation.

Business / Home Economics

Mr. Dennis Gitschier

Mrs. Patricia Odell

The largest growth in student enrollment was experienced by the Business Department this year. Classes such as typing and accounting stressed practical skills needed throughout life while other classes prepared students for the world of high finance. In 1983 graduating seniors will have the added requirement of money management which should prove very helpful.

Homemaking classes have continued to be popular among both boys and girls seeking to gain experience in this before they have families of their own.

Physical Education

Mrs. Carol Strausberg

Mr. Bill Thompson

The ideal student is both physically and mentally fit. The P.E. Department has continued to promote physical fitness by placing an emphasis on fundamental skills at the 9th and 10th grade levels. Keeping elective courses to a workable size is a yearlong project of utmost importance. Keeping classes such as archery, aerobic dance, and tennis small ensures each student adequate attention. Two very popular classes this year were surfing, and aerobic dance.

Science

Dr. James White

The Science Department continued to have high enrollment this year, especially in the more basic courses. Basic Life Science and Basic Physical Science, which continue to be graduation requirements, have now been changed to a yearlong course entitled me-us. This program is designed to cover both the basic courses and will be a suggested course for Freshmen and Sophomores.

Other new classes in this department include Geology/Oceanography, and Meteorology/Astronomy. These courses were popular this year and will be for years to come.

Special Programs

There are many talented teachers and staff personnel that do not work in a specific department but rather make themselves useful in their own *special* way. These dedicated people work hard to bring us *special* events, provide *special* instruction, train us in the fine arts, promote school activities and much more.

Breaking Away

NEWS/POLITICS

Assassination attempts on two major world figures, as well as the successful murder of Anwar Sadat on October 6, 1981, were the major headlines this past year.

On March 30, 1981 President Ronald Reagan was gunned down by John Hinckley Jr. The President suffered injuries but made a complete recovery. Equally appalling was the May 13, 1981 attempt by a Turkish terrorist to kill Pope John Paul II in St. Peter's Square. The Pope, too, recovered.

On a more positive note the entire world watched in awe as on July 29, 1981 England's Prince Charles, and Lady Diana (his new Princess of Wales), wed in St. Paul's Cathedral. Diana and Charles expect their first child, an heir-apparent, in the summer of 1982.

Good news for the women's liberation movement was the appointment, by Reagan, of Sandra Day O'Connor to the Supreme Court. Justice O'Connor, the first woman ever to sit on the highest bench in the land, was sworn in on September 26, 1981.

A reusable space vehicle? Those who thought it impossible were proven wrong on November 14th at Edward's Air Force Base when the Space Shuttle Columbia landed after her 2nd successful flight.

The PATCO association of air traffic controllers were fired from their jobs, and their union decertified when they failed to return to work after an illegal strike lasting many days. Reagan has allowed former strikers to apply for other government positions but will not allow them to return to their jobs as controllers.

Locally, many were astonished at the results of the November Elections for three seats on the HBUHSD Board of Directors. Several incumbents favored to win were replaced by new members. Many thought that Teacher organizations had exercised political clout in the election while others attributed the results to the past history of the members themselves.

SPORTS/ENTERTAINMENT

For sports fans, the past year was one of frustration, comedy and, of course, excitement. Major league baseball suffered a 59 day mid-season strike that obliterated 714 scheduled games and gave birth to a bizarre playoff system.

Absent from the eight team playoff were the Cincinnati Reds, the team with the season's best record, while the Kansas City Royals made the playoffs with the 17th best record. The Los Angeles Dodgers came out of the ordeal with a World Championship after disposing of the New York Yankees four games to two in the World Series.

Fernando Valenzuela captured the Rookie of the Year and Cy Young awards in the National League after his spectacular performance with the Dodgers gained him the attention of millions. Houston's Nolan Ryan pitched a record fifth no-hit game in this short season and Pete Rose passed Stan Musial on the all-time hit ladder.

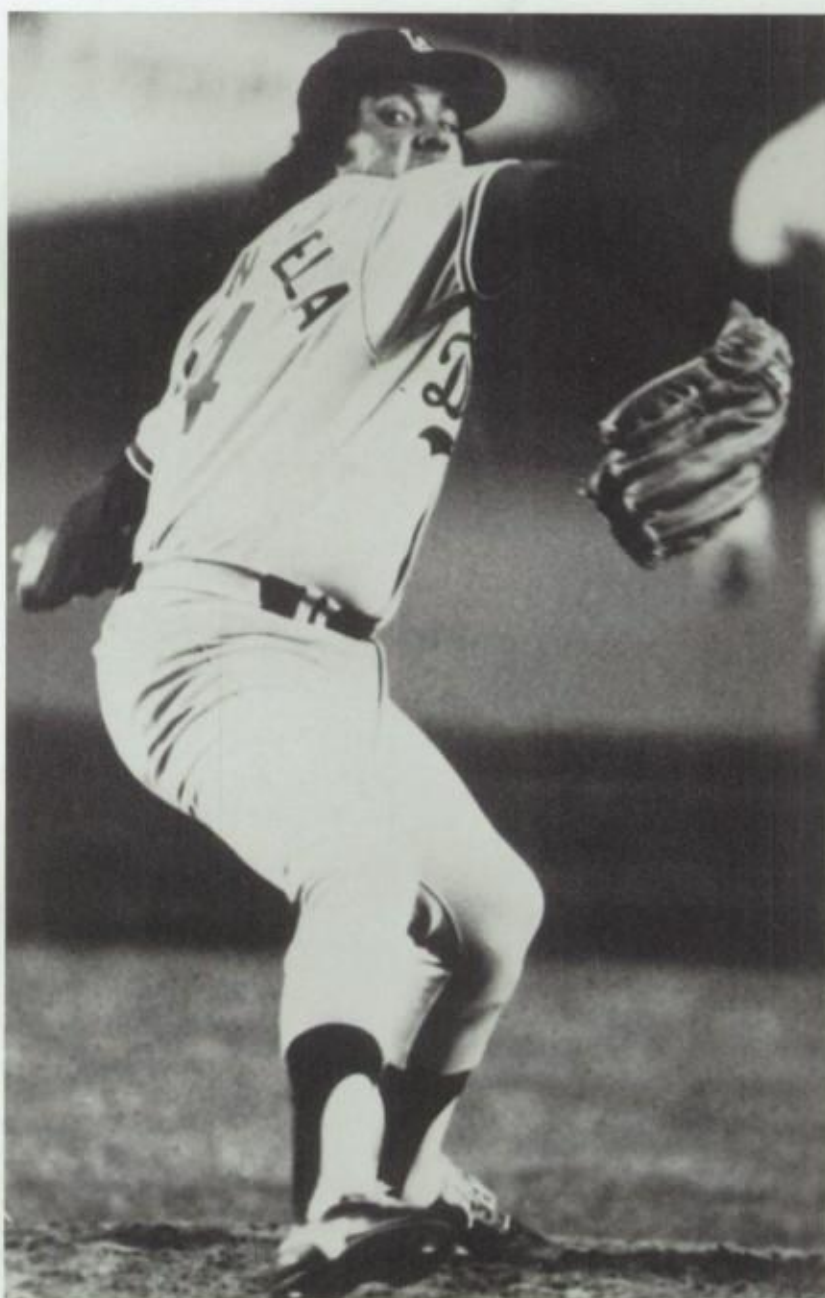

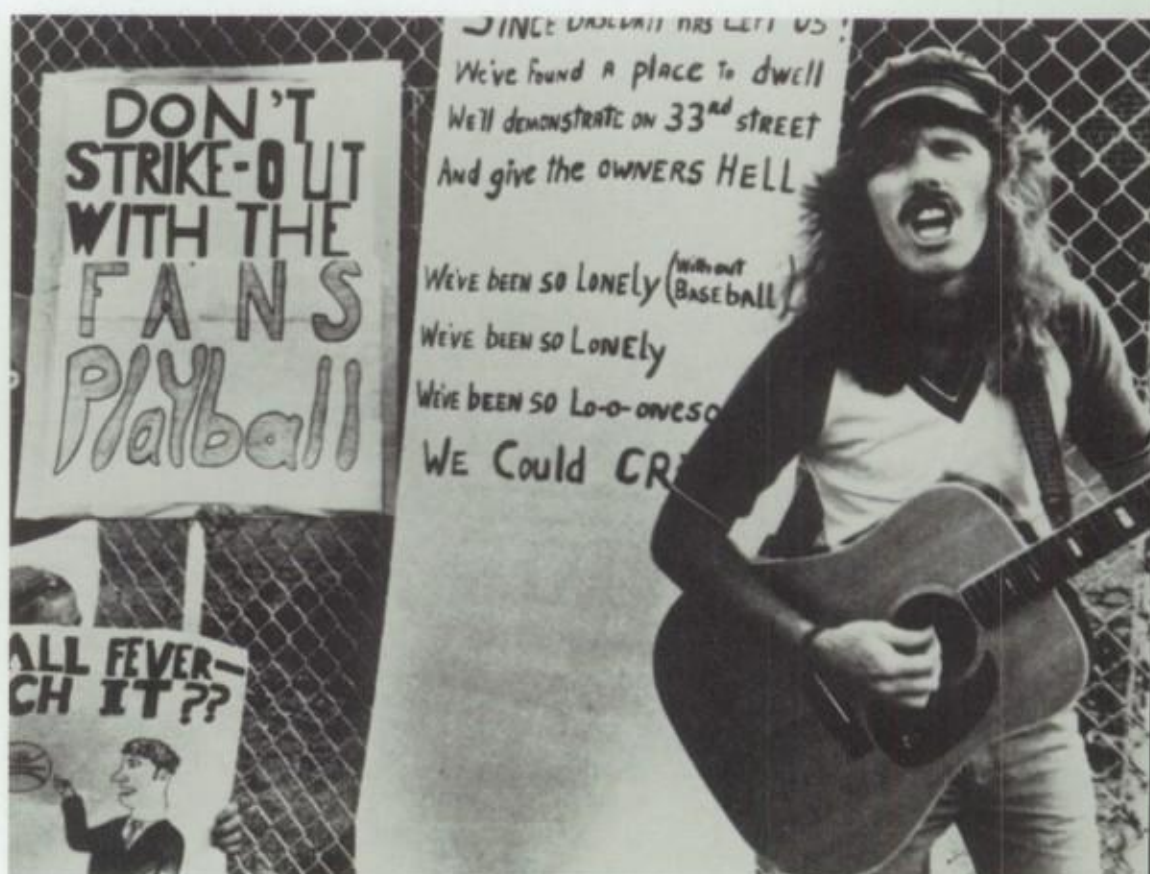

"Out with the old and in with the new," could have been the theme of the pro football season as the last four Super Bowl teams failed to make the playoffs. The San Francisco 49er's and the Cincinnati Bengals, 6-10 teams just one year ago, found themselves in Pontiac, Michigan playing Super Bowl XVI after eliminating Dallas and San Diego respectively. In the Silverdome,

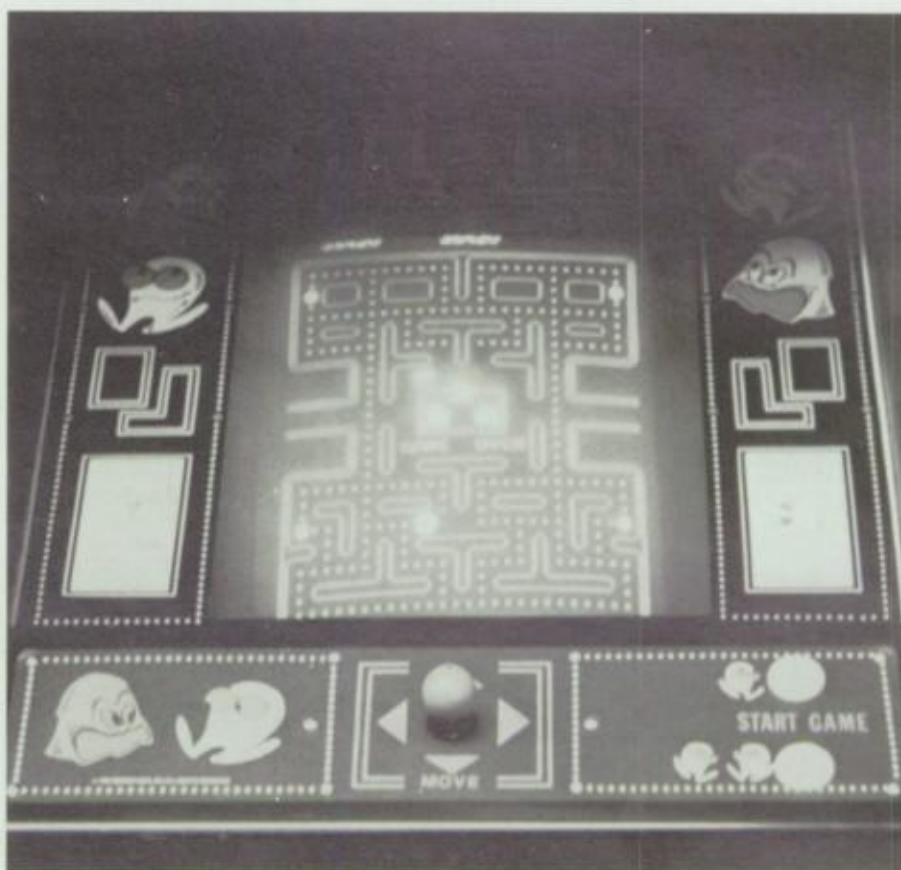

San Francisco captured its first championship in its 36 year existence by defeating the Bengals 27-21.

Although not as dramatic as the U.S. Olympic hockey team, the U.S. tennis players gave Americans plenty to be proud of at Wimbledon. On a patriotic Fourth of July final, American players won four of the five major titles including the men's singles (John McEnroe) and women's singles (Chris Evert Lloyd). England was not quite so pleased with McEnroe and withheld the traditional invitation to the All England Club due to his bad behavior.

On the basketball court, Larry Bird won the NBA's Most Valuable Player award as the Boston Celtics claimed the World Champion title by defeating the Houston Rockets four games to two in the finals.

Also claiming a championship title was FVHS' Sunset League Champion Girls' basketball team which advanced to the quarterfinals of CIF before losing to the eventual CIF Champion, Riverside Poly. Cross Country and wrestling also won league titles due in part to the outstanding performances by Orange County runner of the year Bob Erickson and wrestler Paul Whitley who qualified for the state wrestling tournament.

This year there was a marked difference in the manner that students kept themselves entertained. Horror movies, once the "for-sure" favorite type of flick, were now being passed over for more sensitive and human achievements such as "On Golden Pond," "Taps," and "Reds." The advent of video-games like "Pac-Man" and "Tempest" made pin-ball machines seem old-fashioned and obsolete.

More than ever the "Preppie" look was in. On every corner of the campus you could spot students dressed from head-to-toe in such labels as: Members Only, La Coste, Yves Saint Laurent, and Sperry "Topsiders." Other popular fashions included the Metallic-Look, the Pirate Look and the Romantic Look.

The year draws quickly to an end. The students, the teachers, and the school itself have grown. The school is a changing element in a turbulent world.

Next year there will be more changing, Freshman to Sophomore, Sophomore to Junior, Junior to Senior. Yet it is time now for the Seniors, the Class of '82, to enter the world of their parents as separate, complete adults.

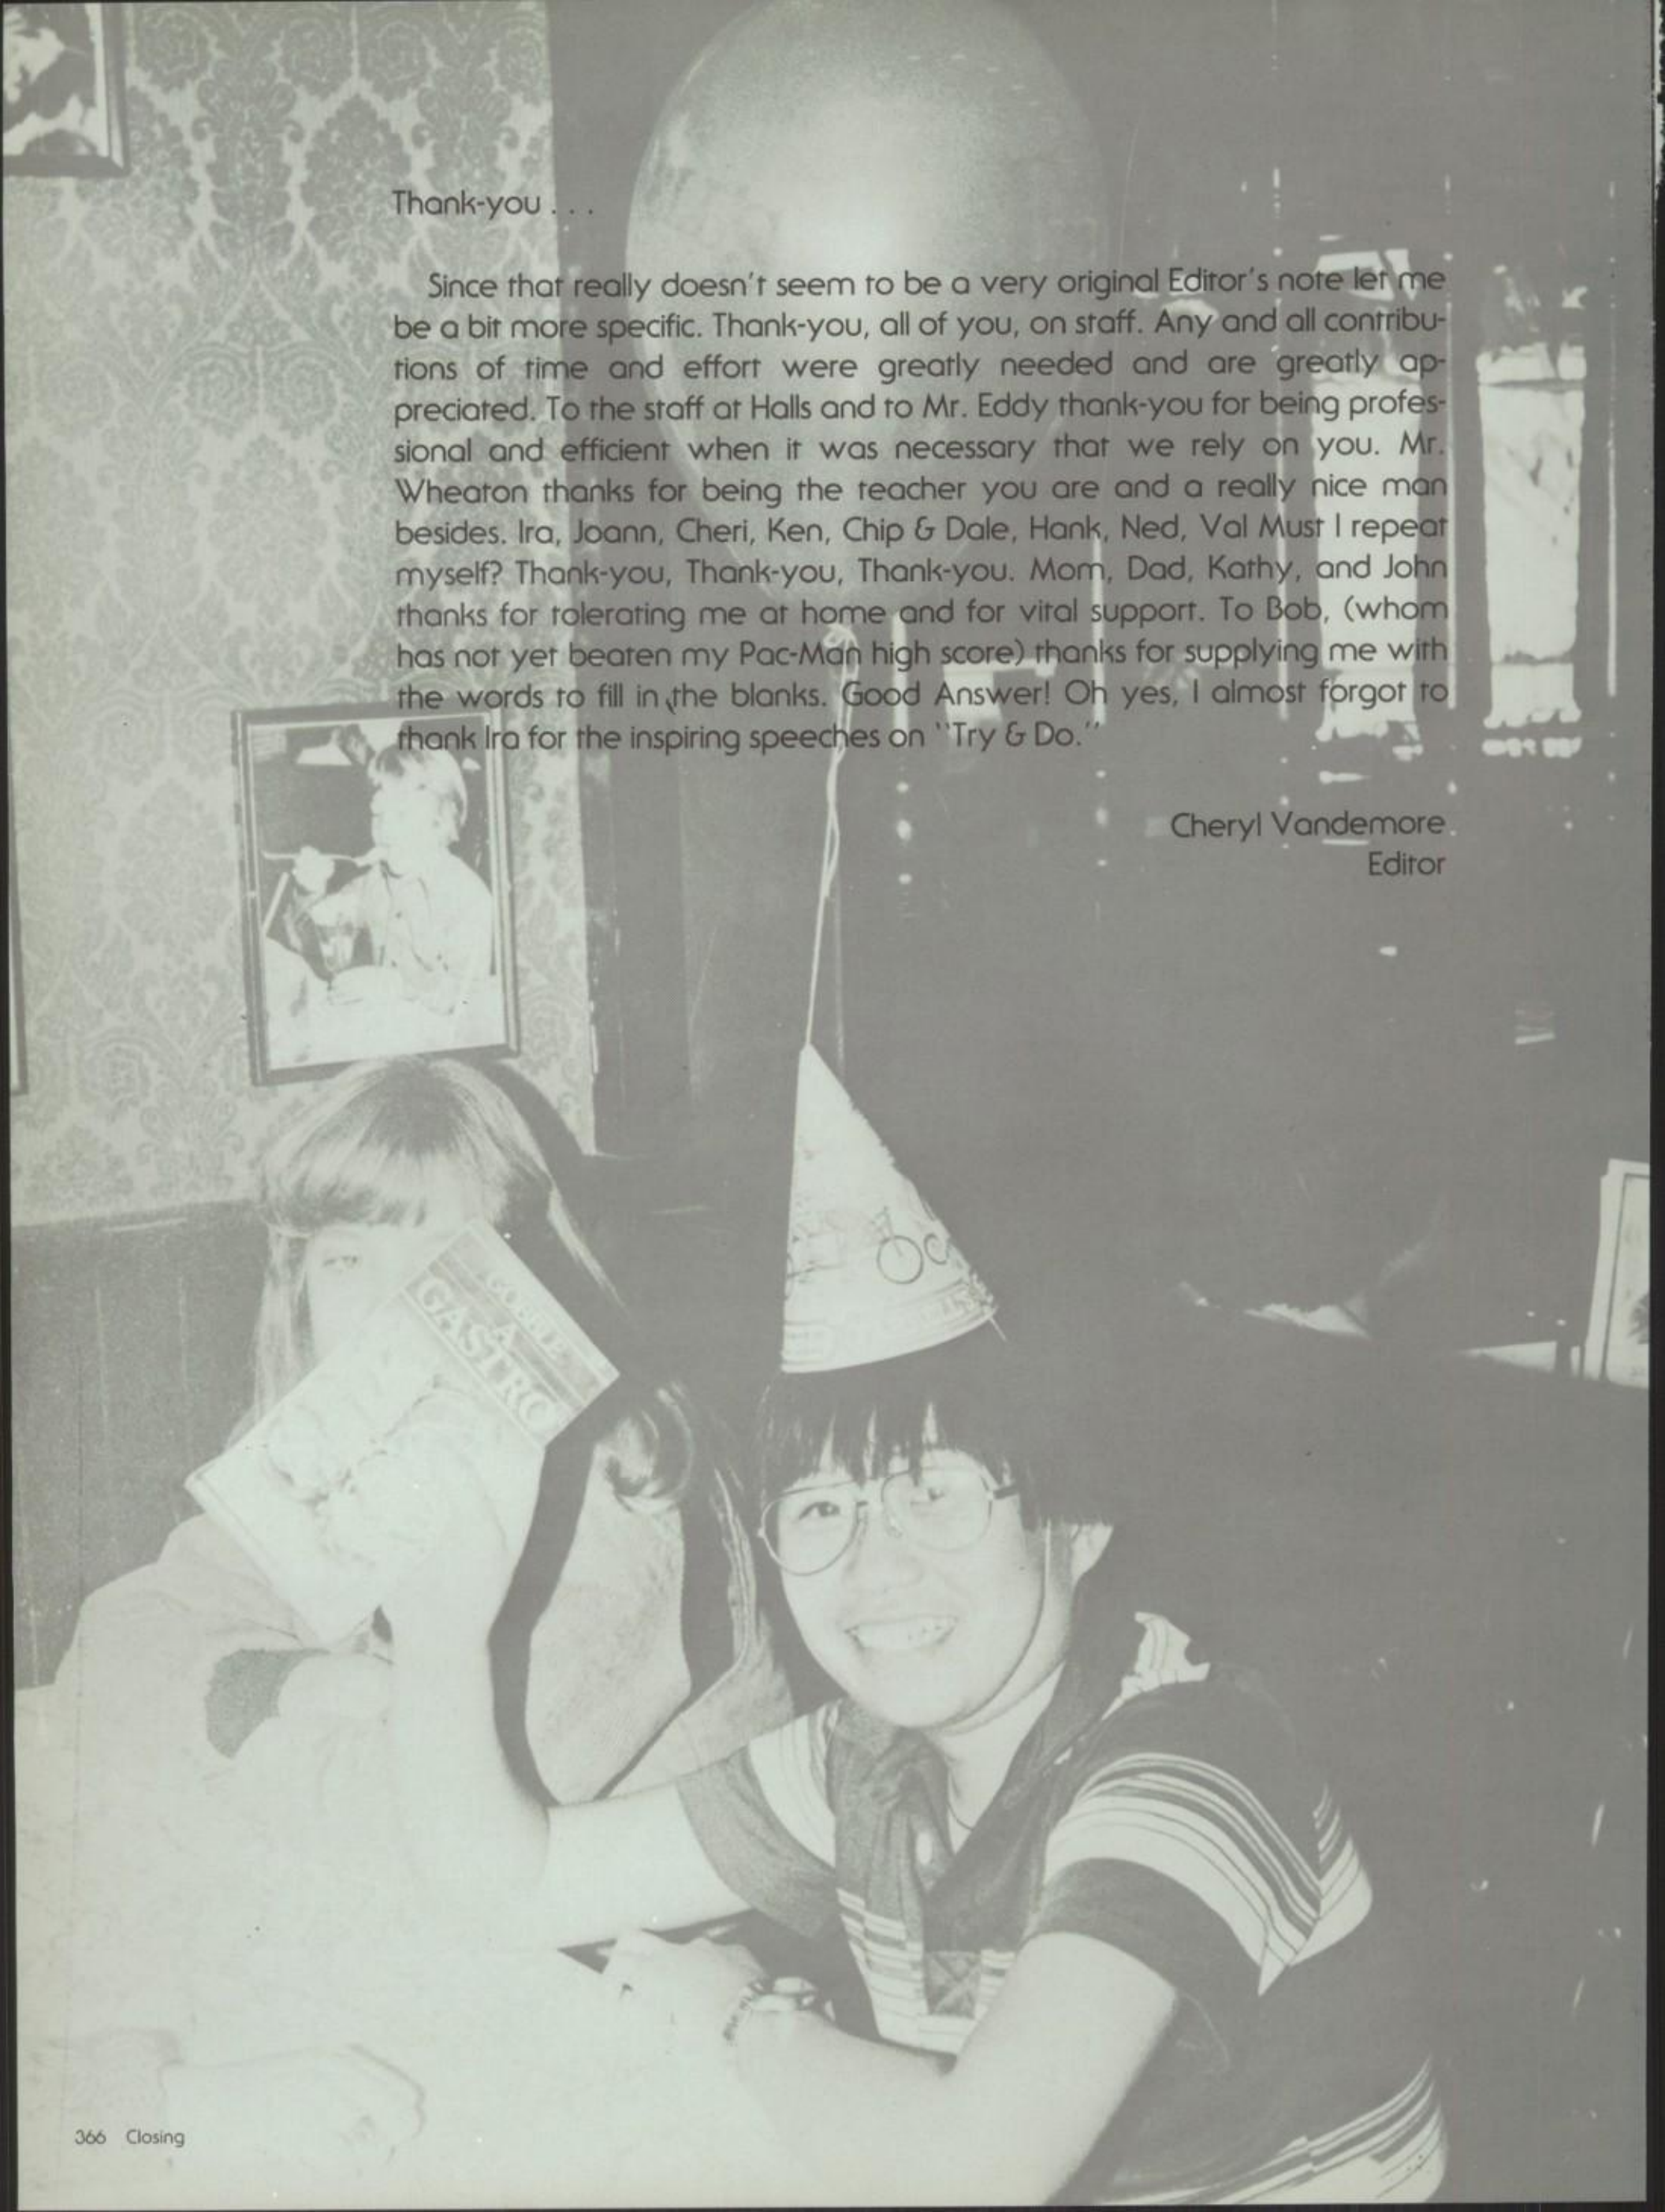

The world is exciting, dangerous, and increasingly hard to conquer. But this class comes prepared with the confidence that they will survive. Blue-Pride, once it was a cheer, make it a way of life. Congratulations to the Class of '82 which has reached the final stage of adolescence . . . Breaking Away.

Thank-you . . .

Since that really doesn't seem to be a very original Editor's note let me be a bit more specific. Thank-you, all of you, on staff. Any and all contributions of time and effort were greatly needed and are greatly appreciated. To the staff at Halls and to Mr. Eddy thank-you for being professional and efficient when it was necessary that we rely on you. Mr. Wheaton thanks for being the teacher you are and a really nice man besides. Ira, Joann, Cheri, Ken, Chip & Dale, Hank, Ned, Val Must I repeat myself? Thank-you, Thank-you, Thank-you. Mom, Dad, Kathy, and John thanks for tolerating me at home and for vital support. To Bob, (whom has not yet beaten my Pac-Man high score) thanks for supplying me with the words to fill in the blanks. Good Answer! Oh yes, I almost forgot to thank Ira for the inspiring speeches on "Try & Do."

Erick !!,

I'm so glad I met
you this year! You're such
a sweet guy! I hope to see
you more next year, and
get to know you a little
more! Thanks for being so
sweet to me! Keep in touch
over the summer!

962-3109

Luv ya lots,
Cay

P.S. Good luck

w/ Danny !!!!!!! ☺

Erick -
Thanks for
being so sweet! Have
all the time! and
a great summer. Dani, Kay!
Love,
Mami
P.S. Thanks for
the pie.
I Love
it!!

Eric
It's been a cool year!
that Lisa makes me sick!
I wish she wasn't in our class
she's a real sicko! It's been a
cool class even if it was boring!
have a cool summer!
P.S. see you at the beach
Russ
Capps

Eric -
Well, it's been a great
year. Hope you had fun
listening to the Go-Gos
on the back of the bus
with Karyn and Marcelline
and me. Have a super summer
Take care -
Tracy Hartford

ERIC,
I'm glad we were
in the same class,
even though it was
totally boring!
Gaw ya! tons
Remney Hughes

ps.
Thanks
for all
the
answers

Eric,
Thanks for being in
my pre. class this year.
How's Lisa? See you next
year.
Lane Acker

Eric,
I had a
lot of fun this
year in band thanks
to you & the tuba section.
I'm glad I'm an official
member of the tuba club. Let's
really drive stopper nuts next
year. OK? You also have to meet
a Sonny (still) sometime this summer. Have
a great summer. Keep in touch. (963 6981)
Luv,
Marcelline
